course, the Pennsylvania Company follows suit.

B.Governor Dix, in his message to the New York Legislature, gives, as a specimen of the manner in which the contractors of the State rob the people in the erection of public buildings, some facts about the new Capital at Albany now being constructed. The original estimate of its cost was \$4,000,000. The walls are now only one story high, and the amount expended is \$4,961,620. The estimated amount required for its completion is \$15.000,000, with the probability of its costing still more.

153. The President on Monday nominated to the Senate Judge Morrison R. Waite, of Ohio, for the position of Chief Justice of the Supreme Court. Judge Waite was not among the more eminent names of national reputation that have hean canvassed in connection with the office, but the nomination is a thoroughly respectable one, free from all objection as to personal character or professional qualification, and will undoubtedly be promptly confirmed by the Senate, and thus bring to a satisfactory conclusion a struggle that has had many disagreeable featurcs.
