

gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS? Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving princi-ple, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to.

They are a gentle Purgative as well as a

Tonic, relieving Congestion or Inflammation
of the Liver and Visceral Organs in Bilious

The properties of Dr. Walker's VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Altera-tive, and Anti-Billious.

Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not de-

stroyed by mineral poison or other means,

and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkan-sas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Ro-anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seainvariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various orgaus, is essentially necessary. There is no eathartic for the purpose equal to Dr.; J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach. Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement,

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Nock, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affecions, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S, VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases. - Persons engaged in Paints and Minerals, such as Plumbers. Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALK-ER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally due up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms For Female Complaints, in young

or old, married or single, at the dawn of womenhood, or the turn of life, these Tonic litters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood when-

ever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; the, sain in Primpies, Eruptions, er Sores; cleanse it when you find it obstracted and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when, Keep the blood pure, and the health of the system will fall see. will follow.

[§] Dr. P. FAHRNEY'S Celebrated Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every way, calculated to take the pince of the endless variety of drags which are annualty sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mind alterative, and which is capable of arresting disease without the least injury to the child, is of __alentable value to every mother. As a cathartic, it is very elective, yet it does not, if given in proper quantities, cause matset of distress to the stomach or bowdes. It is twey pleasant to the taste, which is a very important feature as a medicine for children. As a presented of difference of the control of the children and in the properties of difference of the boad. In all servolutes diseases, it is the most effective medicine or evolutes. FIRST-CLASS WORKMEN & MATERIAL this Machine just stands high above all of tis class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any oth-er machine, settles the question of its superiority as a cleaner over all others. Impar tial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning leature with learning ways and wars comfort. rable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and hesides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$330, without FERRO CARDS (EXTRA LARGE) FOR prices ranging from \$190 to \$360, without power. We also make the latest impproved power. We also make the latest amproved triple-geared Horse Powers, suitable for each size machine, ranging from \$30 to \$135, and all fully and fairly warranted. The above cut represents our Horizontal Engine with Improved Side Bed. This design makes it strong, neat and durable and upon which we have made some valuable improvements, especially upon the working parts making them durable and economical

We build Horizontal Engines with box beds of different sizes and designs and upon the most improved plan.

We also make Upright Engines of different sizes and styles, and where economy of

ent sizes and styles, and where economy of space is an object, they have some advantage-over the Horrizontal, also in the wear of the Cylinder, which is always equal in an Upright Engine.

A special point of advantage in these Engines is our (A. O. Frick's) recently invented and patent self-adjusting BALANCED SLIDE VALVE, suited to all Steam Engines and Locamotives. It leaves the Engines as simple in operation as those of the ordinal simple in operation as those of the ordinary plain slide valve class. We direct special attention to this superior valve, and in
