

gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?"
Our answer is, that they remove the cause of disease, and the patient recovors his health. They are the great blood-purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to.
They are a gentle Purgative as well as a
Tonic, relieving Congestion or Inflammation
of the Liver and Visceral Organs in Bilious

The properties of Dr. WALKER'S TINEGAR BITTERS are Aperient, Disphoretic, Carminative, Nutritions, Laxative, District, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Billious.

Grateful Thousands proclaim VIN-tean Birtress the most wondeful Invigor-on, that ever sustained the sinking system. No Person can take these Bitters recording to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevelent in the valleys of our great rivers throughout the United States, especially these of the Mississippi, Ohio, Missouri, White Co. School of the Mississippi, Ohio, Missouri, Mississippi, Ohio, Ohio, Ohio, O Illineis, Tennessee, Cumberland, Arkancas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roenoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during searons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a pow-erful influence upon these various or-gans, is essentially necessary. There is no cathartic for the purpose equal to Dr.
J. WALKER'S VINEGAR BITTERS, as
they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy

functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headnche, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Erupti Fore Eves, etc., etc. In these, as in all other constitutional Diseases, Walker's VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chrenic Rheumatism, Gout, Bilious, Remittent and Intermittent Pevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases. - Persons engaged in Paints and Minerals, such as Plambers, Type-setters, Gold-beaters, and Miners, as they advance in life, are rabject to paralysis of the Bowels. To mard against this, take a dose of WALK-ER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pumples, Pustules, Roils, Carburcles, Ring-worms, Reald-head, Sore Eyes, Erysipelas, Itch, Scuris, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally due up and carried out of the system in a short time by the uso of these Bitters.

Pin, Tape, and other Worms, linking in the system of so many thousands, are effectually destroyed and removed. No ystem of medicine, no vermituges, no anthelminities will free the system from worms For Female Complaints, in young

or old, married or single, at the dawn of wormshood, or the turn of hie, these Tome Ditters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitinted Blood when-

ever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; zlearse it when you find it obstructed and alugaish in the youns; cleaned it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system

rill follow.

TA STER Crackers, ginger snaps, and fix lands crackers af Reid's Grocerd

A FAMILY ARTICLE. Agents make \$12,50 per day, \$75 per week AN ENTIRELY NEW SEWING MACHINE

FOR DOMESTIC USE, ONLY FIVE DOLLARS with the New Patent BUTTON HOLE WORKER, Patented June 27th, 1871. Awarded the 1st Premium at the American Institute and

Maryl ind Institute Fairs, 1871.

A most wonderful and elegantly constructed Sewing Machine for Family Work. Complete in all its parts, uses the straight eve pointed needle, self threading, direct upright Positive Motion, new tension, self feed and cloth guider. Operates by wheel and on a table. Light Running. Smooth and noisless, like all good high-priced machines. Has patent check to prevent the wheel being turned the wrong way. Uses the thread direct from the spool. Makes the Elastic Lock Stitch. (linest and strongest Elastic Lock Stitch, (finest and strongest stitch known; firm, durable, close and rap-id. Will do all kinds of work, fine and coarse, from Cambrick to heavy Cloth or Leather and uses all descriptions of thread. This machine is heavily constructed to give it strength; all the parts of each machine being made alike by machinery, and beau-tifully finished and ornamented. It is very easy to learn. Rapid, smooth and silent in operation. Reliable at all times, and a prac-

operation. Actione at an innes, and a practical, mechanical invention, at greatly reduced price.

A good, cheap Family Sewing Machine at last. The first and only success in produca valuable, substantial and reliable low priced Sewing Machine. Its extreme low price to the substantial and reliable low price to the substantial and the substant price reaches all conditions. Its simplicity and strength adapts it to all capacities, while its many merits make it a universal favorite, wherever used, and creates a rapid demand. It is all it is recommended.

I can cheerfully and confidently recummend its use to those wanting a good Sew-

ing Machine, at a low price.
MRS. H.B. JAMESON, Peotone, Will co., Ill.

GEISER'S

#### PATENT SELF-REGULATING

GRAIN SEPARATOR

LEANER, BAGGER AND POWERS!

No implement more important to the farmer than a First-class Grain Thresher and Cleaner-for none pays him so well and so

The above cut shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL this Machine just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all hon-est competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically where it was thoroughly and practiciny tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more duable-threshing as much and yet cleaning better-with less power and more comfort to hands than any other machine in use— and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in wants of all, we now make 4 sizes, viz:— From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest impproved triple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted. For further information send for circular and
