

VINEGAR BITTERS
 Dr. J. Walker's California Vinegar Bitters are a purely vegetable preparation, made chiefly from the purest found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS, in curing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

DR. P. FAHRNEY'S
 Celebrated
Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every case, calculated to take the place of the endless variety of drugs which are usually used for this purpose, and which are often very injurious. A medicine which is so powerful in its action, and so safe as well as so pleasant to take, is a valuable addition to the family medicine chest. It is a cathartic, it is a purgative, yet it does not operate on the bowels. It is very pleasant to the taste, and is so easy to take, that it is suitable for children. It is a blood purifier, and it is a blood tonic. It is a blood cleanser, and it is a blood restorer. It is a blood builder, and it is a blood strengthener. It is a blood purifier, and it is a blood tonic. It is a blood cleanser, and it is a blood restorer. It is a blood builder, and it is a blood strengthener.
