Dr. J. Walker's California Vine gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower tanges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unpar alleled success of VINEGAR BITTERS ? Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to.
They are a gentle Purgative as well as a
Tonic, relieving Congestion or Inflammation
of the Liver and Visceral Organs in Bilious

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritions, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Altera-tive. and Anti-Bilious.

Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful Invigor-ant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not de-

stroyed by mineral poison or other means, and vital organs wasted beyond repair. Bilious, Remittent, and Inter-mittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio-Grande, Pearl, Alabama, Mobile, Savannah, Ro-anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr.

and generally restoring the healthy functions of the digestive organs Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of

J. WALKER'S VINEGAR BITTERS, as

they will speedily remove the dark-

colored viscid matter with which the

bowels are loaded, at the same time stimulating the secretions of the liver,

a system thus fore-armed. Dyspepsia or Indigestion, Headnche, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Month, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a botter guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Eryspeias, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Soro Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood. Mechanical Diseases. - Persons en-

gaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALK-ER'S VINEGAR BIFTERS occasionally. For Skin Diseases, Eruptions, Tet-

ter, Salt-Rheum, Blotches, Spots, Pimples, Pustilles, Boils, Carbuccles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, larking in the system of so many thousands, are officetually destroyed and removed. No system of medicine, no verniluges, no an thelminities will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or ringle, at the dawn of wo-manhood, or the turn of life, these Tome Pit-ters display so decided an influence that im-

this Machi-e just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any exist-ing Machine. This is admitted by all honest competitors. Indeed it is the only Ma-chine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others.
