gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada meuntains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS? alleled success of VINEGAR BITTERS ?"
Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine hear tory of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious

Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful Invigor-ant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not de-

In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all or its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Ma-chine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from his machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impar-tial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more sim-ple—more easily understood and operated by those unskilled in machinery—more du-rable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply tou wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$360, without power. We also make the latest impproved riple-geared Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted.
