gar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparanswer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. of the system. "Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to.

Gratoful Theorem 2

Grateful Thousands proclaim VIN-FOAR BITTERS the most wonderful Invigor-ant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long inwell, provided their bones are not de-

stroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Ro-anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during sea-sons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Fightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Month, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters; and Miners, as they advance in life, are subject to paralysis of the Bowels: To guard against this, take a dose of WALK-ER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tet-For Shift Distances, Endplois, 18t-ter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors

Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will tree the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of wo-manhood, or the turn of life, these Tonic Bit-

ters display so decided an influence that-immovement is soon perceptible Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores;

cleans it when you find it obstructed and aluggish in the veins cleanse it when it is foul; your feelings will ell you when. Keep the blood pure, and the health of the system will call to the system. will follow.

Colebrated

Blood Cleanser of Panacea.

As a medicine for children, the Panacea is, in every may, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a catharite as well as mid alternative, and which is gapable of arresting disease without the least higher to the child, its of — actuable value to every mother. As a catharite, it is very elective, yet it does not, if given in proper quantities, rarea masses or distress to the stomach or bowels. It is very pleasant to the taste, which is a very important leature as a medicine for children. As a preceditor of disease it is unprecedented, as it acts din cily upon the diges-live organs and the blood. In all serofulors diseases, it is the nost elective medicine over chiered to the public; and, if given regularly and perseverinely, those cruptive diseases so common to children may be entirely emdicated.

this Machine just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other er machine, settles the question of its superiority as a cleaner over all others.
