DR. FAHRNEY'S

CELEBRATED

BLOOD CLEANSER OR PANACEA!

WITH this rare medicine in your house you can do without purging, by means of Pills or Powders. You can do without Salts, Castor Oil, Citrate of Magnesia, Senna or Manna, and so on. You want none of these; the BLOOD CLEANSER is a substitute for the whole of them. And what is better, it may be taken with safety and comfort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel. Regulating the action of the Liver, without making you a life-long victim to the use of Mercury or Blue Pills. It will open the Bowels in a proper and wholesome manner—being composed of safe and reliable ingredients. There is nothing like Fahrney's Blood Cleanser, for the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder. For Nervous Diseases, Headache, Costiveness, Indigestion, Bilious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.

LIVER COMPLAINTS.—The state and quality of the bile must first be attended to, in order to preserve health. The bile in a vitiated state, or when not duly secreted, is often obstructed in the liver and gall bladder, and becomes a source of dyspepsia, constipation, and nervous complaints, jaundice, etc. The Panacea being strictly vegetable, and containing great anti-bilious properties, and great alterative properties also, will act like a most magical medicine in this complaint. Thousands have found relief, and thousands will yet turn to this medicine, after exhausting their purses and patience in search of health.

Giddiness of the head, dullness of the mind, fetid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure, or any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefited that disease, during bad weather, is less liable to afflict you.

"An ounce of Prevention is worth more than a Pound of Cure." The Panacea will not only cure old standing and malignant complaints, but is one of the best preventives of such disorders, ever offered to the world.

You can avoid severe attacks of acute diseases, such as Typhoid, Bilious and Spotted, and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vital fluid is deranged, you will take a disease much more readily than otherwise, and the suffering will be proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.

This medicine is highly recommended for all chronic or old standing complaints, such as Scrofula, Tetters, Salt Rheum, Rheumatism, &c. Prepared by F. FAHRNEY'S BROS. & CO., Waynesboro', Franklin county, Pa.
