#### **CELEBRATED** BLOOD CLEANSER OR PANACEA

TITH this rare medicine in your house you can do without purging, by means of Pills or Powders. You can do without Salts, Castor Oil, Citrate of Magnesta, Senna or Manna, and so on. You want none of these; the BLOOD CLEANSER is a substitue for the whole of them. And what is better, it may be taken with safety and com-fort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel. Regulating the action of the Liver, without making you a life-long victim to the use of Mercury or Blue Pills. It will open the Bowels in a proper and whole ome manner—being composed of su-table medicaments.

There is nothing like Fahrney's Blood.

Thousands have found relief, and thousands will yet turn to this medicine, after exhausting their purses and patience in search of health.

Giddiness of the head, dullness of the mind, feetid breath, coated tongue, loss of

appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure, or any kind of employment. FAHRNE Y'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strength ened, the tongue clean, the appetite improved, and the whole system so benefitted that disease, during bad weather, is less liable to
