TEETH! TEETH!! TEETH!!!

BEAUTY! BEAUTY! BEAUTY! BEAUTY! BEAUTY! BEAUTY! BEAUTY! Nothing contributes more to beauty of the features than a PERFECT, REGULAR, CLEAN SET OF TEETH, while a neglected, filthy, diseased mouth disfigures every beholder. Such things are noticed now - a - days much more than formerly; and good teeth and a sweet breath are considered indispensable to every LADY AND GENTLEMAN. BEWARE of all preparations which are highly recommended for WHITENING the teeth. They contain an acid which destroys the enamel. Dr. Forrest keeps constantly on hand of his own Preparation a superior TOOTH POWDER, which keeps the teeth absolutely clean, leaving the color of the enamel just as nature made it. For the convenience of my patrons, I have adopted the patent TOOTH POWDER BOTTLE, so constructed as to distribute the powder evenly on the BRUSH, and can be carried when traveling and several may use from the same bottle with propriety. Having had an experience of over seven years in the manufacture and administration of Nitrous Oxide Gas, I am prepared at all times to administer this popular Anesthetic, either to children or adults for the extraction of teeth, without pain or any unpleasant effects. Insertion, Filling and Filling of Teeth carefully executed. Office next door to Bishop's Art Gallery, Main St., Chambersburg, Pa. H. FORREST, D. D. S. N. B.—Teeth that have become discolored, I am prepared to bleach and restore to their natural color. Prices very moderate. may 21st
