VITH this rare medicine in your house you can do without purging, by means of Pills or Powders. You can do without Salts, Castor Oil, Citrate of Magnesta, Senna or Manna, and so on. You want none of these; the BLOOD CLEANSER is a substitue for the whole of them. And what is better,it may be taken with safety and comfort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel. Regulating the action of the Liver, without making you a life-long victim to the use of Mercury or Blue Pills. It will open the Bowels in a proper and wholer ome manner—being composed of su table medicaments.

There is nothing like Fahrney's Blood Cleansner, for the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder. For Nervous Diseases, Headache, Costiveness, Indigestion, Billious Fever and all derangements of the internal visce-ra. You-have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.

LIVER COMPLAINTS.—The state and quali-ty of the bile must first be attended to, in order to preserve health. The bile in a vitiated state, or when not duly secreted, is oftener obstructed in the liver and gall bladder, and becomes a scurce of dyspepsia, con stipation, and nervous complaints, jaundice, etc. The Panacea being strictly veg-etable, and containing great anti-billious properties, and great alterative properties also, will act like a most magical medicine in this complaint. Thousands have found relief, and thousands will yet turn to this medicine, after exhausting their purses and

patience in search of health. Giddiness of the head, cullness of the mind, fætid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure, or any kind of employment. FAHRNE Y'S PANACEA, if taken and persevered in for

a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strength ened, the tongue clean, the appetite improv ed, and the whole system so benefitted that disease, during bud weather, is less liable to afflict you. "An ounce of Prevention is worth more

than a Pound of Cure." The Panacea will not only cure old standing and malignant complaints, but is one of the best preventatives of such disorders, ever offered to the world. You can avoid severe attacks of acute diseases, such as Typhoid, Billions and Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vi tal fluid is deranged, you will take a disease much more readily than otherwise, and the suffering will be proportion to the amount of foreign matter in the blood. This is so

reasonable that we need not here make any illustrations. This medicine is highly recommended for all chronic or old standing complaints, such as Scrofula, Tetter, Salt Rheum, Rheumat-

# TREES & FLOWERS!

propose to canvass Franklin county during the summer soliciting orders for trees, FRUIT, SHADE & ORNAMENTAL. LEE and "OUR FATHER'S HOUSE" of which nearly 200,000 have been sold. "House Live."

Br. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS ?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Billous Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diurctic, Sedative, Counter-Irritant, Sudoritic, Alterative, and Anti-Bilions.

Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful Invigorant that ever sustained the sinking No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Inter-mittent Fevers, which are so prev-alent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and-Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time etimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Fightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Eysinelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, Walker's VINEGAR BITTERS have shown their great curative powers in the most ob-

stinate and intractable cases. For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood. Mechanical Diseases. - Persons en-

gaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters,

and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKguard against this, take a dose of WALK-ER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheun, Blotchas, Spots, Pimples, Pustules, Boils, Carbucles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, carls, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin Pane and other Worms.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters. For Female Complaints, in young

or old, married or single, at the dawn of wo-manhood, or the turn of life, these Tonic Bit-ters display so decided an influence that im-Cleanse the Vitiated Blood whonover you find its impurities husting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when.
