Then try Jurubeba, the wonderful tonic and invigorator, which acts so beneficially on the secretory organs as to impart vigor to all the vital forces. It regulates the bowels, quiets the nerves and gives such a healthy tone to the whole system as to soon make the invalid feel like a new person. Its operation is not violent, but is characterized by great gentleness; the patient experiences no sudden change, no marked results, but gradually his troubles. DR. FAHRNEY'S CELEBRATED BLOOD CLEANSER OR PANACEA!

WITH this rare medicine in your house you can do without purging by means of Pills or Powders. You can do without Salts, Castor Oil, Citrate of Magnesia, Senna or Manna, and so on. You want none of these; the BLOOD CLEANSER is a substitute for the whole of them. And what is better, it may be taken with safety and comfort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel. Regulating the action of the Liver, without making you a life-long victim to the use of Mercury or Blue Pills. It will open the Bowels in a proper and wholesome manner—being composed of such palatable medicaments as there is nothing like Fahrney's Blood Cleanser, for the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder. For Nervous Diseases, Headache, Constipation, Indigestion, Bilious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.

LIVER COMPLAINTS.—The state and quality of the bile is the first thing to be considered in order to preserve health. The bile in a vitiated state, or when not duly secreted, is often obstructed in the liver and gall bladder, and becomes a source of dyspepsia, constipation, and nervous complaints, jaundice, etc. The Panacea being strictly vegetable, and containing great anti-bilious properties, and great alterative properties also, will act like a most magical medicine in its complete removal. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefited that disease, during bad weather, is less liable to afflict you.

An ounce of Prevention is worth more than a Pound of Cure! The Panacea will not only cure old standing and stubborn complaints, but is one of the best preventatives of such disorders, ever offered to the world. You can avoid severe attacks of acute diseases such as Biliousness and Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vitiated fluid is allowed to be in every part of the system so benefited that disease, during bad weather, is less liable to afflict you.

This medicine is highly recommended for all chronic or old standing complaints, such as Scrofula, Tetter, Salt Rheum, Rheumatism, &c. Prepared by P. FAHRNEY'S BROS. & CO., Waynesboro', Franklin county, Pa. Sold by F. Fourthman and J. Burns Amerson, M. D. Druggists, Waynesboro', Pa. june 25 tf

Dr. J. Walker's California Vinegar Bitters

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of WALKER'S BITTERS?" Our answer is, that they remove the cause of disease, and they restore to the system its health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of WALKER'S BITTERS. They are the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Cathartic, Nutritious, Laxative, Diuretic, Sedative, Counter Irritant, Seditive, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system. No Person can take these Bitters and not feel their beneficial effects. They are so well provided that their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn months, are the result of miasmata of malarial heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essential. Thousands have found it so cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring to the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with WALKER'S BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Diarrhoea, Spasmodic Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.
