

as one of the most effectual remedies ever discovered for cleansing the sys-tem and purifying the blood. It has stood the test of years, with a constantly growing rep-

utation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor-ruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful
cures, many of which are publicly known,
of Scrofula, and all scrofulous diseases,
Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches,
Bolis, Pimples, Pustules, Sores, St.
Anthony's Fire, Rose or Erysipeias, Tetter, Sait Rheum, Scald
Head, Ringworm, and internal Ulcerations of the Uterus, Stomach,
and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepally adapted, such as Dropsy, Dyspep-sia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhæa, when they are manifesta-tions of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleaning the blood. The system moves on with renewed vigor and a new lease of life.
