

# Ayer's Sarsaparilla

As widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectively purge out the great impurities of the blood, such as the scrofulous and syphilitic taints. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antiseptic, and disappear. Hence its wonderful cures, many of which are publicly known, of scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptions, discolorations of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Affections of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Piles, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and stronger, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
