**BEAUTY! BEAUTY! BEAUTY!**  
Nothing contributes more to beauty of the features than a PERFECT, REGULAR, CLEANSE OF THE TEETH, while a neglected, filthy, diseased mouth disgusts every beholder. Such things are noticed now - 4 days much more than formerly; and good teeth and a sweet breath are considered indispensable to every LADY AND GENTLEMAN.  
Beware of all preparations which are highly recommended and advertised as "WHITENING" the teeth. They contain an acid which destroys the ENAMEL. Dr. Forrest keeps constantly on hand of his own recipe for "WHITENING" the teeth. It is a superior TOOTH POWDER, which keeps the teeth absolutely clean, leaving the color of the enamel just as nature made it. For the convenience of my patrons, I have adopted the patent TOOTH POWDER BOTTLE, so constructed as to distribute the powder nicely on the BRUSH, and can be carried when traveling and several may use from the same bottle with propriety. Having had an experience of over seven years in the manufacture and administration of Nitro-Oxide Gas, I am prepared at all times to administer this popular Anesthetic either to children or adults for the extraction of teeth, without pain or any unpleasant effects. Insertion, Filling and Filing of Teeth carefully executed. Office next door to Bishop's Art Gallery, Main St., Chambersburg, Pa. H. FORREST, D. D. S. N. E. - Teeth that have become discolored, I am prepared to bleach and restore to their natural color. Prices very moderate. may 21-14

**GEISER'S**  
**PATENT SELF-REGULATING**  
**GRAIN SEPARATOR**  
**CLEANER, BAGGER AND POWERS!**  
No implement more important to the farmer than a First-Class Grain Separator and Cleaner - for none pays him so well and so speedily.  
The above text shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with  
this Mach' - just stands high above all of its class. As a thrasher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs, where it was thoroughly and practically tested, in competition with other leading machines, all agree that it is more simple - more easily understood and operated by those unskilled in machinery - more durable - thrashing as much and yet cleaning better - with less power and more comfort to hands than any other machine in use - and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz: From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from \$190 to \$390, without power. We also make the latest improved triple-gear Horse Powers, suitable for each size machine, ranging from \$90 to \$135, and all fully and fairly warranted. For further information send for circular and price list.

**CELEBRATED**  
**BLOOD CLEANSER OR PANACEA!**  
WITH this rare medicine in your house you can do without purging by means of Pills or Castor Oil, Citrate of Magnesia, Senega or Manna, and so on. You want none of these; the BLOOD CLEANSER is a substitute for the whole of them. And what is better, it may be taken with safety and comfort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel, Regulating the action of the Liver, without making you a life-long victim of the use of Mercury or Blue Pills. It will open the Bowels in a proper and wholesome manner - being composed of suitable medicaments. There is nothing like Fahrney's Blood Cleanser for the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder: For Nervous Diseases, Headache, Costiveness, Indigestion, Bilious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.  
**LIVER COMPLAINTS.** - The state and quality of the bile must first be attended to; in order to preserve health. The bile in its natural state is thick and viscid, and is often obstructed in the liver and gall bladder, and becomes a source of dyspepsia, constipation, and nervous complaints, jaundice, etc. The Panacea being strictly vegetable, and containing great anti-bilious properties, and great laxative properties, also, will act like a most magical medicine in this complaint. Thousands have found relief, and thousands will yet turn to this medicine, after exhausting their purses and patience in the use of other remedies. Giddiness of the head, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total inability to take a morsel of any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefited that disease, during bad weather, is less liable to afflict you.  
"An ounce of Prevention is worth more than a Pound of Cure." The Liver is not only the seat of all the most malignant complaints, but is one of the best preventives of such disorders, ever offered to the world.  
You can avoid several attacks of acute diseases, such as Typhoid, Bilious and Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vital fluid is impure, it will take a course much more readily than otherwise, and the suffering will be proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.  
This medicine is highly recommended for all chronic or old standing complaints, such as Scrofula, Tetter, Salt Rheum, Rheumatism, &c.

**REMINGTON**  
**FAMILY SEWING MACHINE!**  
THE subscriber announces to the public that he has the agency for the sale of the "Remington Family Sewing Machine" in Franklin county. Having tested its working qualities and capacity several months, he can safely recommend it as the very **BEST MACHINE IN USE.**  
Its construction is such that it can be run at a higher rate of speed than any shuttle machine now in use. In factories where this speed has been required, over 1000 stitches per minute have been attained with ease. It is strong in all its parts, and free from the harsh and jarring movements, and friction, common in inferior machines. A simple change of the needle and thread and it will sew the finest cambric or the heaviest leather. The shuttle carries a large quantity of thread thus saving in a great measure the trouble of filling the bobbins. The Remington has no rotary cast, cog-wheels or lever arms to make a noise, rattle, or to get out of order.  
Any girl of ordinary intelligence can keep it in order without the least difficulty.  
The subscriber also informs his customers and the public that he has just opened out his new

**DR. FAHRNEY'S**  
**CELEBRATED**  
**BLOOD CLEANSER OR PANACEA!**  
WITH this rare medicine in your house you can do without purging by means of Pills or Castor Oil, Citrate of Magnesia, Senega or Manna, and so on. You want none of these; the BLOOD CLEANSER is a substitute for the whole of them. And what is better, it may be taken with safety and comfort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel, Regulating the action of the Liver, without making you a life-long victim of the use of Mercury or Blue Pills. It will open the Bowels in a proper and wholesome manner - being composed of suitable medicaments. There is nothing like Fahrney's Blood Cleanser for the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder: For Nervous Diseases, Headache, Costiveness, Indigestion, Bilious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.  
**LIVER COMPLAINTS.** - The state and quality of the bile must first be attended to; in order to preserve health. The bile in its natural state is thick and viscid, and is often obstructed in the liver and gall bladder, and becomes a source of dyspepsia, constipation, and nervous complaints, jaundice, etc. The Panacea being strictly vegetable, and containing great anti-bilious properties, and great laxative properties, also, will act like a most magical medicine in this complaint. Thousands have found relief, and thousands will yet turn to this medicine, after exhausting their purses and patience in the use of other remedies. Giddiness of the head, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total inability to take a morsel of any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefited that disease, during bad weather, is less liable to afflict you.  
"An ounce of Prevention is worth more than a Pound of Cure." The Liver is not only the seat of all the most malignant complaints, but is one of the best preventives of such disorders, ever offered to the world.  
You can avoid several attacks of acute diseases, such as Typhoid, Bilious and Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vital fluid is impure, it will take a course much more readily than otherwise, and the suffering will be proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.  
This medicine is highly recommended for all chronic or old standing complaints, such as Scrofula, Tetter, Salt Rheum, Rheumatism, &c.

**REMINGTON**  
**FAMILY SEWING MACHINE!**  
THE subscriber announces to the public that he has the agency for the sale of the "Remington Family Sewing Machine" in Franklin county. Having tested its working qualities and capacity several months, he can safely recommend it as the very **BEST MACHINE IN USE.**  
Its construction is such that it can be run at a higher rate of speed than any shuttle machine now in use. In factories where this speed has been required, over 1000 stitches per minute have been attained with ease. It is strong in all its parts, and free from the harsh and jarring movements, and friction, common in inferior machines. A simple change of the needle and thread and it will sew the finest cambric or the heaviest leather. The shuttle carries a large quantity of thread thus saving in a great measure the trouble of filling the bobbins. The Remington has no rotary cast, cog-wheels or lever arms to make a noise, rattle, or to get out of order.  
Any girl of ordinary intelligence can keep it in order without the least difficulty.  
The subscriber also informs his customers and the public that he has just opened out his new
