JAPANESE PEAS.—200 Bushels per Acre.—Something New!—Farmers and Gardeners!—Agents Wanted!—The peas have recently been brought to this country from Japan and prove to be the best known for table use or for Stock. They grow in the form of a bush, from three to five feet high and do not require staking. They yield from 1 quart to a gallon of Peas per bush. A package that will produce from five to ten bushels of Peas with circulars giving terms to Agents and full directions as to time and manner of planting, will be sent, prepaid, to any one desiring to act as Agent on receipt of fifty cents. The seed is offered as FRESH and GENUINE, this year's production. Now is the time to order, so you may be prepared for early planting. Address, L. L. OSMENT, Cleveland, Tenn. Testimonials.—We have cultivated the Japanese Pea the past season on a small scale, and we are convinced they are a perfect success. Their yield was enormous. For the table and the stock, they are unsurpassed by any other pea. They grow well on thin land and are bound to be a No 1 fertilizer. A. J. WHITE, Trustee, Bradley Co. H. HIX, A. E. BLUNT, Postmaster, Cleveland, Tenn. dec24 3t. A MAN IN RUINS.—One of the saddest spectacles in the world is a human being shattered and broken down by the use of ardent spirits. But the damage may be repaired, the ruin restored to perfect soundness, by a course of that most powerful of all invigorators, DR. WALKER'S VINEGAR BITTERS. Beware of those "tonics" of which rum is an element. They aggravate disease and promote decay. That dry hacking cough is the herald of approaching consumption. To check the swift progress of the destroyer, prompt and decisive measures must be restored to. A dose of Dr. Morris Syrup of Raw, Wild Cherry and Horehound, taken when the coughing spells come on, will afford immediate relief and eventually effect a thorough cure. It will be found equally beneficial in all forms of throat and lung disorders. In cases of croup it is of inestimable value. Call at the drug store of F. FORSMAN, and inquire about it, they will furnish you with a sample. For SALE.—Hay, Corn and Apples in large and small quantities. J. B. HAMILTON. dec3 1874
