FRICK & CO., PROPS. GEO. FRICK, SUPT. WAYNESBORO STEAM-ENGINE AND BOILER WORKS ESTABLISHED 1853.

STATIONARY AND PORTABLE STEAM-ENGINES, BOILERS, Portable Saw Mills, and all other Machinery made to order.

The above cut represents our Horizontal Engine with Improved Slide Bed. This design makes it strong, neat and durable and upon which we have made some valuable improvements, especially upon the working parts making them durable and economical.

We build Horizontal Engines with box beds of different sizes and designs and upon the most improved plan. We also make Upright Engines of different sizes and styles, and where economy of space is an object, they have some advantage over the Horizontal, also in the wear of the Cylinder, which is always equal in an Upright Engine.

A special point of advantage in these Engines is our "A. O. Frick's" improved inverted and patent self-adjusting BALANCED SLIDE VALVE, suited to all Steam Engines and Locomotives. It leaves the Engines simple in operation as those of the ordinary plain slide valve class. We direct special attention to their superior valve, and invite correspondence.

We give special attention to Portable Engines and Saw Mills; also Agricultural Engines for threshing grain and for farm purposes generally. Also FIRE ENGINES, STEAM BOILERS, of all sizes. Further information may be obtained of the undersigned, FRICK & COMPANY, Waynesboro, Franklin Co., Pa. may 8-ly

REMINGTON FAMILY SEWING MACHINE! THE subscriber announces to the public that he has the agency for the sale of the "Remington Family Sewing Machine" in Franklin county. Having tested its working qualities and capacity for several months he can safely recommend it as the very BEST MACHINE IN USE.

Its construction is such that it can be run at a higher rate of speed than any shuttle machine now in use. In factories where the speed has been registered, over 1000 stitches per minute have been attained with ease. It is strong in all its parts, and free from the harsh and jarring movements, and friction, common in inferior machines. A simple change of the needle and thread and it will sew the finest fabric or the heaviest leather. The shuttle carries a large quantity of thread thus saving in a great measure the trouble of filling the bobbins.

The Remington has no rotary cams, cog-wheels or lever arms to make a noise, run hard, or to get out of order. Any girl of ordinary intelligence can keep it in order without the least difficulty. The subscriber also informs his customers and the public that he has just opened out his new FALL AND WINTER SUPPLY of CLOTHS, CASSIMERES, VESTINGS, and all other goods for gentlemen's wear. He solicits an inspection of his stock. oct 10-ly T. J. FILLBERT.

DR. FAHRNEY'S CELEBRATED BLOOD-CLEANSER OR PANACEA!

WITH this rare medicine in your house you can do without purging by means of Pills or Elixirs. You can do without Salts, Castor Oil, Chlorate of Magnesia, Senna or Mannan, and so on. You want none of these; the BLOOD-CLEANSER is a substitute for the whole of them. And what is better it may be taken with safety and comfort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children.

It is the only vegetable preparation existing which will answer in the place of Calomel. Regarding the action of the Liver, and making you a life-long victim to the use of Mercury or Blue Pills. It will open the Bowels in a proper and wholesome manner—being composed of suitable medicaments. There is a single line Fahrney's Blood-Cleanser for the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder. For Nervous Diseases, Headache, Costiveness, Indigestion, Bilious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.

LIVER COMPLAINTS.—The state and quality of the bile must first be attended to, in order to preserve health. The bile in its vitiated condition is the cause of all the evils often encountered in the liver and gall bladder, and becomes a source of dyspepsia, constipation, and nervous complaints, jaundice, etc. The Panacea being strictly vegetable, and containing great anti-bilious properties, it cures the bile, and restores it to its natural state. It also acts like a most magical medicine in this complaint. Thousands have found relief, and thousands will yet turn to this medicine, after exhausting their purses and patience in the use of other remedies. Giddiness, or a fullness of the mind, fetid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a steady diarrhoea, are all symptoms of an kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strengthened, the liver cleansed, the bowels regular, and the whole system so benefited that disease, during bad weather, is less liable to afflict you.

"An ounce of Prevention is worth more than a Pound of Cure." The Panacea will not only cure old standing complaints, but is one of the best preventatives of such disorders, ever offered to the world. You can avoid severe attacks of acute diseases, such as Typhoid and Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood; for if this vital fluid is deranged, you will take a disease much more readily than otherwise, and the suffering will be proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.

This medicine is highly recommended for all chronic or old standing complaints, such as Scrofula, Tetter, Salt Rheum, Rheumatism, &c. Prepared by P. FAHRNEY'S BROS. & CO., Waynesboro, Franklin county, Pa. Sold by F. B. Snively, at the Store of J. B. Amberson, M. D. Druggists, Waynesboro, Pa. junel5 ly
