

A Celestial Despatch. We take the following from the Washington Sentinel of Nov. 1st: U. S. STEAMER SUGARHANA, City of Nankin, CHINA, May 31. To THE EDITORS OF THE SENTINEL: Gentlemen:—I forward you a translation of a "Mandatory Despatch," which Captain Buchanan received from the Minister of State, at Nankin, in reply to his letter, announcing the arrival of his excellency, Mr. McLane, the American Commissioner to China. The letter speaks for itself. Respectfully yours, A MANDATORY DESPATCH.

Lin and Lo, honored with the meritorious rank of earthly magistracy, holding the office of first and second ministers of the State of the second class, promoted two degrees, and the Mandatory Despatch to Buchanan, of the United States of America, for his full information.

Whereas, the Heavenly Father and the Heavenly Elder Brother have greatly displeased their favor, and personally commanded our Sovereign, the Celestial King, to come down and be the peaceful and true Sovereign of the world, and have also sent the (five) kings to be assistants in the court and strong supports in the establishment of a flourishing government; now, therefore, when this city, the Celestial Capital, has been established and built up by the Sovereign Authority of the Heavenly Father and the Heavenly Elder Brother, it is the very time that all nations should come and pay courtly honors, and all the four seas advance to receive instruction.

From you, Buchanan, there has been received a public document, in which a desire is expressed to come and see the Eastern King's golden face; but we, the ministers of State, on reading what is contained therein, find that you have presumed to employ terms, &c., used in correspondence between equals. This is not at all in conformity with what is required.

Because our Eastern King (may he live one thousand years) has respectfully received the celestial commands to come into the world and to be the Assistant of the Celestial Court, in drawing together the living souls of all nations: (therefore,) you, who reside on the ocean's borders, and are alike imbued with favors, ought to come kneeling and prostrate, thus conforming to the principles of true submission, so as to show your sincerity in company to pay court.

But we, the ministers of State, having examined this communication, have not submitted it to the golden glance of the Eastern King, lest we should excite the anger of the golden glance, and draw on ourselves no criminal. Kindly keeping in mind, however, that you are residents on the ocean's borders, and have not known the rites and ceremonies of the Celestial Court, indulgence of the just may be granted; but nevertheless, as it is right, you must conform to the established rules and make respectful remarks.

With regard to the favor of the Heavenly Father and the Heavenly Elder Brother displayed in opening and awakening your minds so as to induce you to come to pay court to the true sovereign and to be near to the Celestial Capital, all this you have obtained as a manifestation of the grace of the Heavenly Father and the Heavenly Elder Brother, and it is also your happiness.

The truly submissive, however, most assuredly will prepare rare, excellent, and precious things, and come and offer them in honor of the king; in this manner showing that you understand the mind of Heaven. Now, because the Heavenly Father, the Supreme Ruler, the August High Ruler, is the only true God, the Father of the souls of all nations under Heaven; and Jesus the Son of the World, the Celestial Elder Brother, is the Superior Elder Brother of all men nations under Heaven, and our Sovereign the Celestial King, is the peaceful and the Sovereign of all nations under Heaven; accordingly, therefore, all nations under Heaven ought to reverence Heaven and obey the sovereign, knowing on whom they may depend. We are, indeed, much afraid that you do not yet fully understand the names of Heaven, imagining that there are distinctions as of this nation and of that nation, and knowing the oneness of the true deity.

Therefore, we send this special Mandate to you:—

You do indeed respect Heaven, and reverence the Sovereign, then our Celestial Court, viewing all under Heaven as our family, and permit you, year by year, to bring tribute, and annually come to pay court, so that you may become the ministers and all people of the Celestial Kingdom, forever, bathing yourselves in the gracious streams of the Celestial Dynasty, peacefully residing in your lands, and living quietly, enjoy great glory. This is the sincere desire of us, the great ministers.

Quickly ought you to conform to, and not to oppose this Mandatory Despatch. Twenty-fourth day of the fourth month of the fourth year of the Great Peaceful Celestial Dynasty, Tuesday, May thirtieth, one thousand eight hundred and fifty-four.

"MAN KNOW THYSELF"

DR. HUNTER'S Medical Manual, and Hand Book for the Afflicted.—Containing an outline of the origin, progress, treatment and cure of every form of disease contracted by promiscuous sexual intercourse, by self-abuse or by sexual excess, with advice for their prevention; written in a familiar style, avoiding all medical technicalities and everything that would offend the ear of decency; with an outline of complaints incident to females, from the result of immodest years' successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the FEVER and AGUE.

Testimony by the Professor of Obstetrics in the Pennsylvania College of Philadelphia.—"DR. HUNTER'S MEDICAL MANUAL"—The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner whose honest and integrity may place the greatest confidence.

From A. Woodward, M. D., of Penn University, Philadelphia.—"It gives me pleasure to add my testimony to the professional ability of the author of the Medical Manual. Numerous cases of Disease of the Genital Organs, some of them of long standing, have come under my notice, in which a skill has been manifested in restoring to perfect health in some cases where the patient had been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self-abuse or excessive venery, I do not know his superior in the profession. I have been acquainted with the author some thirty years, and during that time justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.

"This is, without exception, the most comprehensive and intelligible work published on the diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent, however fastidious, can object to placing it in the hands of his sons. The author has compiled numerous cases of the treatment of the various complaints treated of, and with too little space to publish too little presumption to impose, he has offered to the world at the unceremonious price of 25 cents, the fruit of some twenty years' most successful practice."

No teacher or parent should be known to impart in this valuable work. It would save years of pain and mortification and sorrow to the youth under their charge.—"People's Advocate."

A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self-pollution, without realizing the sin and fearful consequences upon themselves and posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance (or the use of intoxicating drinks) though it has slain thousands upon thousands, is not a greater scourge to the human race, except my thanks on behalf of the afflicted, and believe me your co-worker in the good work you are so actively engaged in."
