NEW YORK TRIBUNE.

DAILY, 65 CENTS WEEKLY, \$3 WEEKLY. ALWAYS IN ADVANCE.

THE WEEKLY TRIBUNE commenced its fourteenth annual volume with the 1st of September, commencing it with a circulation of 50,000 larger than was ever before attained by any general newspaper whosoever. This circulation has been gradually and honorably attained by maintaining upon THE TRIBUNE, the best efforts of many editors and correspondents, and by a greater liberality of outlay in each department than was probably ever before risked on any journal. It has been attained, not by sailing smoothly in the current of popular opinion, but by an earnest, fearless, and unflinching advocacy of TRUTH and PROGRESS, as above all, par tisan exigencies, all temporary interests, all momentary illusions of popularity and success; ITS THROUGH ADVOCACY OF TEMPERANCE AND LIQUOR PROHIBITION, OF JUSTICE TO THE DESPISED AND DOWN-TRODDEN, AND OF THE EQUAL AND INALIENABLE RIGHTS OF SEX OR COLOR, have from time to time repelled many unshrinking friends, whose prejudices were thereby thoroughly educated, but have convinced many others who will endeavor to maintain and sustain it, a position among journals which we feel that it will justify us in claiming to be a success not to imply.

The leading ideas to which THE TRIBUNE is devoted may be briefly set forth as follows: 1. FREEDOM, to do whatever is essentially right—not alone for which Americans, or Anglo Saxons, or Caucasians even—not for our Race to determine whether they will or will not hold another Race in slavery—but for every Race and Nation, and every individual man as above all. This Freedom is rightfully absolute in the broad domain of Opinion, and involves the equal and imperative right to Political Franchises; 2. ORDER, or the necessary right of the legally indicated majority to interdict in the sphere of action all practices which it deems demoralizing, therefore prejudicial to the common weal; 3. BENEVOLENCE, or the wisdom and policy of employing the resources and credit of the community to accomplish works of general and unending utility to which individual means are inadequate, or which, though eminently conducive to the public good, do not promise to reimburse, to their direct or indirect income the outlay required by their construction; 4. INDUSTRIAL DEVELOPMENT, as the corner stone of a true and benign National Policy, counting the naturalization of a new and valuable art or produce of the soil as more important than the acquisition of a fresh province or island, and equally within the legitimate sphere of National concern, and National effort.

THE TRIBUNE contains reliable reports of the Markets. Our Cattle Market reports alone are worth more than the price of the paper to those who are engaged in raising and selling Cattle. No paper involving so great an expense as our Weekly and Semi-Weekly could be afforded at the price of these sheets except in connection with a Daily, nor could our Daily be sustained at its price without the aid of our Country Editors. Large as our circulation is, it would involve us in ruinous loss but for the receipts of Advertising. We believe that in THE TRIBUNE is realized the largest variety and extension of solid information concerning the events of the day which has been or can be combined with extreme cheapness; and in that faith we commend it to the favorable regard of the reading public. We offer no premiums for subscribers, tempt none to take it by gambling prospects of winning fortunes or mansions in lottery in which tickets are furnished to its patrons, employ no traveling agents to importune people into taking it, and was none of our room in dunning our subscribers for pay.

TERMS OF THE WEEKLY TRIBUNE. Single copy, one year.....\$2.00 Three copies, one year.....5.00 Five copies, one year.....8.00 Ten copies, one year.....12.00 Twenty copies, one address.....20.00 Any larger number at the rate of \$1 per annum. At the price of the \$20 Clubs we cannot direct the paper to each subscriber. Subscriptions may commence at any time. Payment in advance is required in all cases, and the paper is invariably discontinued at the expiration of the advance payment. Money may be remitted for subscriptions in letters at our risk; but the Postmaster at the place where the letter is mailed should be made acquainted with its contents and keep a description of the bill. Bills or any specie-paying bank in the United States or Canada received at par for subscriptions. We have no traveling agents. Any one wishing to receive THE TRIBUNE need not wait to be called upon for his subscription. Disolution.

The undersigned would respectfully inform the citizens of Mansfield and surrounding county, that he has on hand a full assortment of DRUGS, MEDICINES, PAINTS, OILS, GROCERIES, STATIONERY, PAINTS, OILS, BOOKS, STATIONERY, YANKEE NOTIONS and an endless variety of "traps and fixings" too numerous to mention, which will be sold cheap for Cash or Produce. Cheap, because I have adopted the Ready-pay system; consequently I shall not be under the necessity of making the respectable customer pay (in extra profit) for bad debts and worthless accounts. Come friends, and see the assortment, and price our goods; we charge nothing for showing goods and telling prices, and if we don't sell you something, then we'll— Give us a call. I. G. MARTIN. Mans
