

The Infernal Machine Case. Now that the trial of Arrison is concluded, and a verdict rendered whereby the life of man must be taken, in order to carry out the laws that govern us all, it may not be improper to say that this verdict meets with the silent concurrence of the great mass of community, who have patiently abided the progress of the case, awaiting, with interest and feeling, its result.

There are but few in this community who have investigated this case, read or listened to the trial, that are not convinced of the righteousness of the verdict, and the unqualified guilt of Arrison. Ho has, by the commission of a most shocking, horrid crime, made himself amenable to the laws of the land that gave him birth; and there is scarce a question but what he must suffer the penalty of those laws.

McLean, the warty jailor, prepared the dungeon-room for him—having it thoroughly cleaned and fitted up, with a view to the comfort and convenience of the prisoner. Yesterday he was visited by no one save his brother and one of his attorneys, both of whom were accompanied by the jailor.

A SOVEREIGN IS DEAD! The illustrious Kameameha III, of the Sandwich Islands, is no more. This piece of royalty was agnd about 4'. He was chiefly distinguished for getting drunk, whether on those French brandies introduced at the cannon's mouth by the French, or on less refined liquors, made little difference.

A WESTERN EDITOR in speaking of a concert singer, says her voice is delicious—pure as the moonlight, and as tender as a three dollar shirt.

Officers of the Tioga County Agricultural Society for '55.

President—WILLIAM B. CLYMER. Vice Presidents—D. L. Sherwood, B. C. Wickham, Geo. McLeod, Ira Buckley, J. L. Kingsbury, Cornington Spay—F. E. Smith.

The Executive Committee are requested to meet at the Grand Jury room in the Court House, at Wellsborough, on Tuesday evening, the 6th of February next. G. D. SMITH, Sec'y. February 1, 1855.

GREETING: The undersigned, citizens of Wellsboro, Tioga county, Pa., having become the proprietors of one of the greatest Labor-Saving Machines of the Age, would respectfully inform the "Lady public" that they are prepared to show the fidelity of the old song— "Scold, scold, scold, scold, There is no luck about the house Upon a washing day."

For their new Machine, combining cheapness and economy of room with ease and effectiveness operation, renders the washing for a large family only a pleasant recreation. This Machine is different from any ever before offered to the public, requiring little labor to work it, and doing a large washing in one-third of the time that it can be done in the old way, and equally as well.

The work is performed by the friction of wooden balls floating in the water in which the clothes are worked by a lever. This machine does its work without injury to clothes, and so perfectly, that a dress may be washed without taking off the stays. Call and examine them at Sturrock's Cabinet Shop where they are manufactured and sold by LANDIS, STURROCK & FORSYTH. Wellsborough, Feb. 1, 1855.

Important, Very. ALL PERSONS knowing themselves indebted, for subscriptions to the "Wellsborough Advertiser," or otherwise, either by Note or Book Account, are requested to make immediate payment, or their accounts will be placed in the hands of proper officers for collection. Come one, come all and give us a lift in this our time of need. Jan. 20, 1855. W. D. BAILEY.

Dissolution Notice. THE Co-partnership heretofore existing between the subscribers in the publishing business under the name of BAILEY & COBB, is this day dissolved by mutual consent. The books and accounts are in the hands of M. H. COBB for settlement. W. D. BAILEY, M. H. COBB, Jan. 20, 1855.

STARTLING, BUT TRUE! WHAT EVERY WOMAN SHOULD KNOW. How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence of the atmosphere of health.

THE BLOOMING BRIDE. But a few years ago in the flush of health and youth, and buoyancy of spirits, happily and prosperously married, she becomes a feeble, sickly, nervous invalid, with frame emaciated, nerves unstrung, spirit depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often hereditary complaints upon the children.

DREADFUL INHERITANCE FROM THE PARENTS. "And must this continue? Must this be? Is there no remedy? No relief? No hope? No aid?" The remedy is in knowing the cause and avoiding them, and knowing the remedy, and benefiting by them. John Walker, do. 3 49; D. Caldwell, witness fees, 1 34.

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. M. M. MAURICEAU, PROFESSOR OF MEDICINE OF WORCESTER. One Hundred Papers, (500,000), 18mo., pp. 250. [FOR FINE PAPERS, EXTRA BOUND, \$1.00.]

FIVE HUNDRED THOUSAND COPIES OF ONE HUNDRED THOUSAND SENT BY MAIL, attesting the high estimation in which it is held as a reliable popular medicine.

BOOK FOR EVERY FEMALE! the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to the health of his yearly consulted by thousands both in person and by letter.

Every woman can discover, by comparing her own symptoms with those described, the nature, character, causes, and the proper remedies for, her complaint.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitive forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm, as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly technical for the married or the two contemplating marriage. Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your solicitude, and lose no time in learning what cause interferes with their health and happiness, not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocations, and exhausting those means for medical attendance, medicine and advertised nostrums which otherwise would provide for declining years, the infirmities of age and, also proper education of your children.

CAUTION THE PUBLIC. To buy no book unless the words "DR. M. M. MAURICEAU'S WOMAN'S PRIVATE MEDICAL COMPANION" are printed on the back of the book; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. M. M. MAURICEAU, therefore.

POSTAGE on the Weekly Tribune for one year \$3. Postage on the Semi-Weekly for one year \$2. Payable quarterly in advance, at the office where the paper is received. GREELEY & McELRATH, Tribune Office, New York.

THE WEEKLY TRIBUNE commences its XVth annual volume with the month of September—commences it with a circulation (115,000) larger than ever before accorded to any general newspaper whatever. This circulation has been gradually and laboriously attained by concentrating upon THE TRIBUNE the best efforts of many editors and correspondents, and by a greater liberality of opinion in each department than was probably ever before risked on any journal. It has been attained, not by sailing smoothly in the current of opinion before the wind and basking in the smiles of majorities, but by an earnest, fearless devotion to TRUTH and PROGRESS as above all partisan exigencies, all temporary interests, all momentary illusions of popularity and success. ITS THOROUGH ADVOCACY OF TEMPERANCE AND LIQUOR PROHIBITION, OF JUSTICE TO THE DESPISED AND DOWN-TRODDEN AND OF THE EQUAL AND INALIENABLE RIGHTS OF THE HUMAN RACE, IRRESPECTIVE OF SEX OR COLOR, have from time to time repelled many sunshine friends, whose prejudices or seeming interests were thereby contravened, but have combined to form a character which it will endeavor to maintain, and assign it a position among journals which we feel that it will henceforth a success not to impair.

THE LEADING IDEAS to which THE TRIBUNE is devoted may be briefly set forth as follows: 1. FREEDOM, to do whatever is essentially right—not alone for which Americans, or Anglo-Saxons or Catholics even—not for one Race, but to determine whether they will or will not hold another Race in abject bondage—but for every Race and Nation, and every adult rational human being.—This Freedom is rightly absolute in the broad domain of Opinion, and involves the equal and imperative right to Political Franchise;

2. ORDER, or the necessary right of the legally indicated majority to interdict in the sphere of action all practices which it deems demoralizing, therefore prejudicial to the common weal;

3. ECONOMY, or the wisdom and policy of employing the resources and credit of the community to accomplish works of general and unquestioned utility to which individual means are inadequate, or which, though eminently conducive to the public good, do not promise to reimburse, to their direct or indirect income, the outlay required by their construction;

4. INDUSTRIAL DEVELOPMENT, as their corner stone of a true and benign National Policy, counting the naturalization of a new and valuable art or product of the soil as more important than the acquisition of a fresh province or island, and equality within the legitimate sphere of National concern and National effort;

5. PEACE, as a vital condition of true Progress to be cherished by the most anxious, assiduous study to proffer as readily as we are prone to require redress for every wrong, and never to be surrendered except at the call of endangered Liberty. Such are the chief landmarks by which THE TRIBUNE directs its course.

But a small portion of THE TRIBUNE is allotted to what is currently distinguished as light reading; but reviews of New Books of decided interest, with choice extracts illustrating their quality are freely given, while the great body of our paper is devoted to a lucid and careful digest of the NEWS OF THE DAY, with Editorial comments thereon. We have reliable Correspondents in each quarter of the globe, and in nearly all the principal cities of Europe and America, and their letters will aid our readers to clearer understanding of the events which are now gradually converting the Old World into one gigantic arena for the death-struggle of rival interests, passions and ambitions.

THE TRIBUNE contains reliable reports of the Markets. Our Cattle Market reports alone are worth more than the price of the paper to those who are engaged in raising and selling Cattle.

No paper involving so great an expense as our Weekly and Semi-Weekly could be afforded at the rates of these sheets, except in connection with a Daily, nor could our Daily be sustained at its price without the aid of our Country Editors. Large as our circulation is, it would involve us in ruinous loss but for the receipts of Advertising. We believe that in THE TRIBUNE is realized the largest variety and extension of solid information concerning the events of the day which has been or can be combined with extreme cheapness; and in that faith we commend it to the favorable regard of the reading public. We offer no premiums for subscribers, tempt none to take it by gambling prospects of winning farms or mansions in a lottery in which tickets are furnished to its patrons, employ no traveling agents to importune people into taking it, and none of our room in dunning our subscribers for pay.

TERMS OF THE WEEKLY TRIBUNE. Single copy, one year.....\$2.00 Three copies, one year.....5.00 Five copies, one year.....8.00 Ten copies, one year.....12.00 Twenty copies, to one address.....20.00 And any larger number at the rate of \$1 per annum.

At the price of the \$20 Clubs we cannot direct the paper to each subscriber. Subscriptions may commence at any time. Payment in advance is required in all cases, and the paper is invariably discontinued at the expiration of the advance payment.

Money may be remitted for subscriptions in letters at our risk; but the Postmaster at the place where the letter is mailed should be made acquainted with its contents and keep a description of the bills.

Bills or any specie-paying bank in the United States or Canada received at par for subscriptions. We have no travelling agents. Any one wishing to receive THE TRIBUNE need not wait to be called upon for his subscription. All that is necessary for him to do is to write a letter in as few words as possible, to the money and write the name of the subscriber with the Post-Office, County and State, and direct the letter to GREELEY & McELRATH, Tribune Office, New York.

Persons residing at points where mails arrive oftener than once a week are requested to examine the Semi-Weekly. We regard it as the cheapest paper, all things considered, published in the United States.
