And yet Mr. Barstow has intruded himself into the office, and seems determined to stay Mr. Bashford has filed an information against him in the Supreme Court, but that Body is strongly Locoloco and partisan in its character, and has refused the claimant any other counsel then the Attorney General, who is a bitter party man, with opinions already expressed in favor of the claim of Barstow. All this is regular Locofoco tactics. No-

body makes more noise than they about the right of the people to elect their own officers. and the right of majorities to rule; but let them once get into office, by frauds however flagrant and glaring, or pretenses however false or unsound, and nothing short of physical power can get them out. They cling to the public pap with a tenacity only typified by the bloodsucker. They seem to imagine that they have a sort of divine right to office. It is strange how men who protend to respectability and honesty in private life will countenance in politicians and public officers the most fingrant rascality. Such men seem to act on the principle that success is the only virtue in politics. Barstow and his party must know that their cause is a dishonest one. Yet they put on a brazen face and go ahead will their rescally usurpation .- Detroit Tribune

GREAT TYPOGRAPHICAL FRAT.—The most remarkable of all performances in the way of rap d publication has just been effected by a Philadelphia firm-Messrs. E. H. Butler & Co-in placing before the public their edition of the third and fourth votume of Mac aulay's History of England. The whole process was accomplished with a degree of epeed hitherto unrivalled. The London edition contains 1,600 octavo pages. Ot this large work the types were picked up and set, the pages storeoyped and printed, and copies of the first edition of ten thousand copies were in the hands of the publishers, bound, within fifty working hours from the commencement of the wor.

Such speed should astonish the London publishers. When their edition was already stereotyped, and 20,000 copies ready for delivery, they announced the fact, and 36,000 subscribers presented themselves. The publishers asked a delay of one month to prepare the additional 16,000 copies.

A MARVELLOUS REMEDY, FOR MARVELLOUS AGE

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY. D'the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Discases of the Kidneys, disorders of the Liver, affections of the hoart, 'inflammation of the Lungs, Asthmas, Conglis and Coids, are by the means effectually cured. Every house-wife knows that sait passes freely through bone or meat of any thickness. This licaling Ointment far more readily pointerates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

that cannot be reached by other means.

ERTSIPELAS, SALT RHEUM & SCORBUTIC HUMORS.

No remedy has ever done so much for the cure of diseases of the skin whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrotula or Krysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ohtment, giving advice as to its application, and has thus been the means of restoring countless numbers to health. \$10,800 91

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS. Some of the most scientific surgeons now rely solely on the use of this wonderful Olntment; when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has, by command of the Allied Governments, dispatched to the hespitals of the East, large shipments of this Olntment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, setfifness or contraction of the joints, even of 20 years standing. PILES AND FISTULAS.

These and other similar distressing complaints can be effect-ually curfed if the Olutment be well rubbed over the parts affected and by otherwise following the printed directions around each pot.

THE SUBSCRIBER takes the earliest opportunity of informing the citizens of Tioga county, and the "rest of mankind," that he is now receiving his second stock of Goods for the Fall and Winte

understood, and that is, he does not buy goods to lay upon his shelves and counters and accumulate the dust of centuries, waiting for that good time, when people are so green, or (what is worse) hard up, as to be willing to accept the "Old Familiar fuces" of these "Shop-keepers," at the "tariff" first

My sister, who has had it for five or six years back, and could never get it stopped, except by Quinted, and that only as long as she would take it, is now, I think, entirely cured by your remedy,

C. R. MoGINLY."
