

Miscellaneous.

Sowing Grass-Seed.

This is a work that no farmer should neglect, and now, to-day, this very hour, is the time to think of it.

Quantity of Seed per Acre.—Of timothy seed we would advise half a bushel an acre on strong land.

Orchard Grass.—We advise a bushel and a half of orchard grass seed per acre, mixed with two quarts of clover seed.

Kentucky Blue Grass.—The seed of this grass is light as orchard grass; in fact, it works and firms as if it were all chaff.

Clover Seed.—It is sown in the proportion of four quarts to the acre perhaps more generally than in any other quantity.

A Brilliant Whitewash that will Stand the Weather.

Take half a bushel of unslacked Lime, slack it with boiling water, covering it over to keep in the steam.

POLL EVIL.—For the good of those who have or may hereafter have horses that have poll evil or fistula, I would say, don't sell the animal for a trifle or give him away.

Col. Fremont.

The following letter from Col. Fremont to Governor Robinson, appears in the Atlas of this morning.

New York, March 17, 1856, 176 Second Avenue.

My Dear Sir:—Your letter of February reached me in Washington some time since. I read it with much satisfaction.

I had both been thinking and speaking of you latterly. The Bank's balloting in the House, and your movements in Kansas, had naturally carried my mind back to you.

It is to be feared, from the proclamation of the President, that he intends to recognize the usurpation in Kansas as the legitimate government, and that his sedition law, the test oath, and the means to be taken to expel its people as aliens, will all, directly or indirectly, be supported by the army of the United States.

You see that what I have been saying is more a reply to the suggestions which your condition makes to me, than any answer to your letter.

Gov. CHAS. ROBINSON, Lawrence, Kans. as.

EVER CHANGING-ALWAYS NEW!

LARGE ARRIVAL

FALL AND WINTER GOODS,

AT THE

EMPIRE STORE.

THE SUBSCRIBER takes the earliest opportunity of informing the citizens of Tioga county, and the "rest of mankind," that he is now receiving his second stock of Goods for the Fall and Winter trade; and he deems it unnecessary and entirely out of order to go into an enumeration of the thousand and one articles, that he in common with other merchants keep and are so

Extremely anxious to dispose of.

But there is one thing that he wishes distinctly understood, and that is, he does not buy goods to lay upon his shelves and counters and accumulate the dust of centuries, waiting for that good time when people are so green, or (what is worse) hard up, as to be willing to accept the "Old Familiar Faces" of these "Shop-keepers," at the "arbitrary" first imposed. (No insinuations!)

His motto is "small profits, speedy sales, and quick returns." Thinking that by adopting and living up to the motto, he shall merit and receive a continuance of the patronage heretofore awarded him, he would say to all—call and see the New Goods. J. R. BOWEN. Wellsboro, Nov. 15, 1855.
