

Enemies of the Corn Crop.

Unlike wheat and nearly every other cereal, the enemies of corn, work chiefly in the earlier stages of the growing crop.

The wire worm is a grievous annoyance in many localities, not unfrequently ruining the crop by destroying the seed before it has time to germinate.

He had, he stated, a spot of an acre or so in extent, upon which the year before the wire-worm entirely destroyed the crop.

He spread hog manure from his pen over the "infected district," and did not lose a hill of corn from the ravages of the worm.

- Farm of 126 acres, in Clymer township, 45 acres improved, with house and barn. " 100 acres in Pike, Potter co., about 20 acres improved, with two dwelling houses and barn.

Valuable Farm For Sale. THE SUBSCRIBER is desirous of disposing of his Farm, containing 170 acres, situated in Charlotte township, Tioga county, Pa., three miles from Wellsville, on the State Road leading to Covington, and 10 miles from the Corning and Blossburg Railroad.

How to Make Good Butter. Having read several communications in the Farmer on making good butter, and not seeing any that comes up to my ideas, I will now give my practice, (or rather that of my wife,) and some of the causes of not making good butter:

- 1. Milk should never be set for butter in a dark, damp cellar—as is the case with butter-makers in this section—as the cream is thereby moulded before it has time to rise, which gives the butter a mouldy taste.

NEW ERA IN SUN-PENCIL-ING.—E. W. BECKWITH respectfully announces to the citizens of Wellsville and vicinity, that he has perfected his arrangements for taking AMBROTYPES, and is now ready to gratify those who wish a faithful likeness of themselves by this beautiful process.

MISS E. P. RICHARDS, would respectfully announce to the citizens of Wellsville and vicinity, that she has just opened a new Millinery establishment at the residence of Mr. I. Richards, where may be found at all times a GOOD ASSORTMENT OF MILLINERY GOODS, such as Ladies & Children's Bonnets, RIBBONS, FLOWERS, CAPS, HEADDRESSES, &c., &c.

THE SUBSCRIBER respectfully informs those who have unsettled accts. with him, (pro or con) in Tioga Co. that their accts. after this date are in the hands of H. W. Williams, attorney in Wellsville for settlement. If attended to before the 1st day of May next, no cost will accrue thereon. April 10, 1855. M. S. BLACKWELL.

REMEDY FOR GIRDLED TREES.—As it has been a good winter for mice to work at fruit trees, on account of the snow, I wish to make known a remedy. In March, 1855, as the snow was going off, I found four of my apple trees completely girdled by the mice nearly a foot from the ground. I took a shovel and made a mound of dirt around two of them. Last fall I dug down and found them barked over. One of them bore several apples; both are doing well. The other two are both dead. They should be seen to at once.

Dress Marks the Man.

OWING to the great rise in paper, there is a great and increasing demand for rags of all kinds. Therefore, every man who wishes to save the first coat on his old clothes should cast them, buttons and all into the rag-bag; not however until he calls at the

PREMIUM CLOTHING STORE, AT TIOGA, and selects from the large and splendid assortment of

Ready Made Clothing, here kept constantly on hand, a suit warranted to wear as long as any other, and made in the best and most substantial manner, and under his own supervision. The proprietor has a complete knowledge of the trade, and can sell the best quality of Ready Made Clothing considerably cheaper than any other establishment in the county. He keeps a variety of

Cloths, Cassimeres, Vestings, Drawers, Trimmings, Wrappers, Shirts, Collars, Cravats, &c., &c., which will be sold as reasonably as they can be purchased elsewhere. His stock of COATS & VESTS can't be beat this side of New York, either in price, style, or quality.

Don't forget that this establishment took the first premium at the Fair of last October.

Particular attention given to cutting and making garments to order. C. OSMUN. Tioga, April 5, 1855.

MONEY TO LET. R. S. BAILEY, HAVING just returned from New York with his full purchases, would invite the attention of buyers to his exhibition of

GOODS & WARES, comparing qualities and prices with any establishment in Tioga county. Disliking the idea of a great deal of show and bombast in advertising I would simply say that the usual variety of useful articles in the line of DRY GOODS, SHOES, CLOTHING, CAPS, HATS, HARDWARE, OILS, PAINTS, STONE WARE, WOODEN WARE, TIN WARE, &c., may be found at prices that cannot fail to please purchasers for Ready Pay.

Box, Parlor, and Cook Stoves, of the heaviest castings and most approved patterns together with everything in the line of tinware, wholesale and retail, manufactured by and under the supervision of our fellow townsman, Mr. John B. Saffold, who is said to be the best tinner in good stock, and a smooth job, will not fail to make their selections and leave their orders at Nov. 29, 1855. ROCK BAILEY'S.

EVER-CHANGING-ALWAYS NEW! LARGE ARRIVAL OF FALL AND WINTER GOODS, AT THE

EMPIRE STORE. THE SUBSCRIBER takes the earliest opportunity of informing the citizens of Tioga county, and the "rest of mankind," that he is now receiving his second stock of Goods for the Fall and Winter trade; and he deems it unnecessary and entirely out of order to go into an enumeration of the thousand and one articles, that he in common with other merchants keep and are so

Extremely anxious to dispose of. But there is one thing (that he wishes distinctly understood, and that is, he does not buy goods to lay upon his shelves and countenances and accumulate the dust of centuries, waiting for that good time when people are so green, or (what is worse) hard up, as to be willing to accept the "Old Familiar Faces" of these "Shop-keepers," at the "Arbitrarily" first instance. (No insinuations!) His motto is "small profits, speedy sales, and quick returns." Thinking that by adopting and living up to the motto, he shall merit and receive a continuance of the patronage heretofore awarded him, he would say to all—call and see the New Goods. J. R. BOWEN. Wellsville, Nov. 15, 1855.

DRY GOODS, Groceries, Ready-Made Clothing and Hardware, CROCKERY, WOODENWARE, STONE-WARE, BOOTS & SHOES, HATS AND CAPS, &c., &c., in fact everything else kept in a country store, and clear to numerous to mention, and will sell cheaper than can be bought this side of New York city.

B. T. VANHORN would inform the citizens of Wellsville, and vicinity, that he has purchased the interest of his partner, John S. Rice, in the above business, and will continue at the old stand, two doors east of Jones' Store, to keep on hand and make to order, all kinds of Cabinet Furniture, such as

Sofas, Divans, Ottomans, Beds, Centre, Dining & Breakfast Tables, Dressing, Dining and Common Bureaus, MAHOAGONY & COMMON WASH STANDS, Collage, French and Common Bedsteads, of every description, together with all articles equally made in his line of business.

COFFINS, of every variety, made to order, at short notice, and reasonable charges. TURNING done in a neat manner, at short notice.

Chairs! Chairs! In addition to the above, the subscriber would inform the public that he has just received a large and handsome assortment of CANE AND COMMON CHAIRS, Boston and Common Rocking Chairs, &c., which he will sell as cheap, if not cheaper, than they can be purchased anywhere else in Tioga county. Call and see them! June 3, 1855.
