LANCASTER PRESS. Of the eight papers in Lancaster, Pa., which take any part in politics, five give an active support to Fremont and Dayton, two are for Buchanan, and one for Filimore. These embrace an aggregate circulation of seventeen thousand copies weekly, of which thirteen thousand is opposed to "the favorite son." Their former position in politics may be classified as follows : For Fremont-The Examiner, (old line Whig,) and the Volksfreund, (German Whig,) the Express, (Independent,) the Independent Whig, (Whig American,) the Inland Weekly, (American.) For Buchanan-The Intelligencer, (Democratic,) and the American Republican, (formerly old line Native, and latierly the organ of the liquor party.) For, Fillmore-The Register, (American, and for Fillmore before his nomination.)

A DISUMION RESPONSE .--- The New York Times having inquired what the Richmond Whig would have to say concerning Mr. Fillmore's disunion speech at Albany-the Whig replies :

"As the Times is desirous to hear from us on this subject, we will gratify its harm? less curiosity. We have, therefore, to say that we should consider the Union, under the dominion of a Black Republican President, a grievance too weighty to be borne-or rather that we cannot conceive of a Union after such a result as the election of Fremont has been accomplished. In our judgment, the triumph of Free Soil in the Presidency and the sundering of the bonds which unite us would be simultaneous, and we should be sorry to think otherwise. Mr. Fillmore has rightly said-'the South will not submit.'-Is the Times satisfied ?"

A GOOD ONS!-Rankin the President of the Keystone Club, whom James Buchanan addressed so affectionately and "patriotically at Wheatland, on the occasion of the Club's A GOOD ONE!-Rankin the President of addressed so affectionately and "natriotically at Wheatland, on the occasion of the Club's visit to him after the Cincinnatti Convention, ibn die Rnownotbings nicht anfeinden und has been arrested in Philadelphia, on the charge of obtaining money under false pretense, and on being liberated on bail, made tracks, failed to appear and forfeited his recognizance. Rankin was doing nothing but practicing on the Ostend doctrine of Buchanan, and it seems hard that such an unadulterated Democrat should be punished for carry. ing out the principles of his party.

> FIRST APPEARANCE IN POLITICS.-In Galoa. tice. Illinois, a new Fremont paper has just appeared in the Swedish language. There are now 100,000 Swedes in the Northwest, and this is their first political paper.

REV. Dr. Tyng, of Philadelphia, is not vet silenced. He scathed the Doughfaces last Sunday from the text :-- "Go preach to the people all the words of this life."

Will visit patients in all parts of the county. [June 14, 1855.]
