

From the cradle to the grave, the woman may be said to think of no to-morrow. The pleasures of the day, and the gratification of some momentary passion, are their sole pursuits.

Who the Man Was. Somehow they put a low estimate upon the value of the declarations of some attorneys as to people's character.

On Tuesday last Mr. ——— defended a client at the Police Court upon a charge of petit larceny. One of the witnesses swore so stoutly that the prosecution sought to impeach him.

Mr. Witless, you say the character of Dwight is bad? I do. Have you heard people say so? I have.

What did that person say of Dwight? He said he was the most infernal scoundrel he ever knew in his life, and that he had known a year—that he once knew of Dwight's being hired to swear a lie for a glass of whiskey toddy.

Well, he claims to be a respectable man, though I must confess in my humble judgment he is a great scamp as Dwight.

The answer operated upon the counsel like the stroke of a galvanic battery. He protested it was a lie, and asked the court to commit the witness for perjury and contempt of court.

DEPLORABLE CATASTROPHE.—On Saturday morning last a little girl—Mary Sherman, about 12 years old, was killed at the residence of her stepfather, Mr. Cabell Birch in Alexandria Co., Va.

The prosperity of Man lies in this one word—Education. Convey Humanity to this fountain of happiness and you bestow everything; all means of power and greatness.

"Mary, I'm glad your heel has got well." "Why?" said Mary, opening wide her large blue eyes with astonishment. "O, nothing, only I see it is able to be out."

"Sir said a man, defending rather a notorious character, 'I assure you it is all pure innocence.' 'I quite agree with you,' replied the other, 'it is pure in no sense.'"

Cleanliness is carried to a greater length in Holland than in any other country. To keep the cows clean, when placed in the barn, their tails are wrapped in brown paper and laid upon a shelf behind them.
