Morris, Dec. 15, 1856.

THE TRIBUNE FOR 1857.

The Election is past, and its result proves that the work devolved on the Republican party is not yet completed. In all the Eastern and Northern portions of the country—in New-England, New-York, Ohio, and the North-West—the Republican banner floats in triumph; while in Southern Jersey, Pennsylvania, Indiana and Illinois—in short, wherever few newspapers are taken, and where common schools are too new and too feeble to have educated the present generation of voters—the black flag of Slavery obstructs the sunshine. A stranger to America might distinguish those portions of our country most blessed with Education, Intelligence, Thrift and Virtue, by scanning the returns of the Presidential contest of 1856. We have failed of present success, not because the People are against us, but because that large portion who did not hear or read the argument and do not know what were the real questions at issue, went almost solid against us, reversing the verdict which the great majority of the educated and intelligent endeavored to pronounce.

These facts indicate the path of pressing duty.—With no unmanly repinings over what is irrevocable—with no abatement of heart or hope because the triumph of Liberty in her new ordeal is not won at the Long Island and White Plains of her struggle—with no shadow of regret that the responsibility of governing is not confided to her champions before the People were fully ready to sustain them—we begin afresh the work of diffusing that vital truth which, in regard to the concerns of this world as well as of the next, makes Free indeed. Now, in the Slave Power's heyday of victory, when its ministers and servitors are gathering and plotting to make the most of their triumph and "crush out" the spirit which they vainly believe to be crucified and entombed—now, when the faint-hearted or cold-hearted who lately basked in the sunshine of our premature hope are hauling off to repair damages and talking os abandoning the rugged arena of Politics for morf quiet and flowery fields—now, in this hour of wearie ness and shadow, THE TRIBUNE renews its vows of eternal hostility to every form of tyranny over the bodies or souls of men—to the shameful assumption that the benighted and feeble, wheather in soul or body, are to be regarded and treated as the convenience or the prey of their wiser or stronger brethren—to the domination of despots and oligarchs, whether of empires or plantations—to the enslavers of cities and kingdoms in Europe or the breeders for the auction-block and the cotton field in Virginia or Alabama.

The doctrine that no human being was ever created for the benefit or advantage of another—that all service between man and man should be free and reciprocal—that the laborer should not toil and sweat to pamper others' pride or minister to others' luxury, but for the sustenance and comfort of those near and dear to him—is destined to certain triumph. I *must* prevail, for God reigns, and Earth was not created to be a theater of injustice, oppression and misery for ever. It *must* triumph; for all true prophecy affirms and the vindication of the Divine benignity impertatively requires it. It *must* triumph; for Democratic America cannot always remain the scoff of aristocrats and the shame of reformers and liberals throughout the Old World. It *must* triumph for Man's history is not a chaos or a riddle, but every where instinct with meaning; and no heroic effort ever failed of its effect—no drop of martyr blood was ever shed in vain.

But even if we Republicans were disposed to fold our arms in slumber, our adversaries would not permit it. They are busy to-day in lengthening their cords and strengthening their stakes with a vigilance and activity which reveals a consciousness on their part that their dominion must be made sure forthwith or their scepter will have forever departed.—To-day, myrmidoms of the Slave Power threaten and harass Northern Mexico, are encamped in the heart of Central America and waging a war of extermination on the distracted inhabitants of its petty Republics, while it by turns leers and scowls at Cuba, while its most ruthless bands are precipitated on devoted Kansas, under the protection and smiles of the Federal Administration. Even as we write, the telegraph informs us that twenty Free-State men, guilty of attempting to defend their homes against the rapine and violence of Buford's and Titus's blood-thirsty bandits, have been convicted by Lecompte's Court of manslaughter! and sentenced to five years' imprisonment at hard labor as felons.—This is but a fair specimen of what has long passed for "justice" in Kansas—a justice which takes the criminals into pay and aids them in hunting down, plundering and "wiping out" the innocent, whom it consigns to the State prison if they are ever goaded into the madness of resisting their oppressors. Such crimes and wrongs as unhappy Kansas has for twelve months endured, even Hungary or Poland has ever known; and the Power at whose instigation these villainies were and are perpetrated sits enthroned in the White House, and has just achieved another four years' ascendancy in the Federal Government. Who, in view of these facts, can say that Republicans may now pile their arms, even for an hour?

THE TRIBUNE will be, as it has been, a Political journal—avowedly, though not exclusively so. It recognizes the truth that Freedom and Slavery are here grappled in deadly conflict, and that in the result one of them must lose all control over the Federal Government. But, while it gives prominence and emphasis to the discussion and elucidation of the great issue of the day, it sinks none of the characteristic of a Business and Family Newspaper.—The proceedings of Congress, like those in Kansas, will be watched and reported by an able and fearless corps of Correspondents, while from London, Paris, Constantinople, Havana, San Francisco, Albany and other centers of interest, our special advices will be, as they have been, fresh and reliable. A member of our Editorial *corps*—Bayard Taylor—is now in Northern Europe, and will spend the Winter in Sweden, Lapland, Russia, thence making his way next season across Siberia and Tartary to the mouth of the Amour, and thence homeward by the Pacific and California, unless some change of route shall promise greater interest and profit to our readers, for whom alone he will write regularly throughout his adventurous journey, which is likely to require two years for its completion. Our reports of the most interesting Lectures, Public Meetings, &c., will be full and reliable, and our Foreign and Domestic News made up with a careful regard to the condensation into our ample colums of the greatest amount of intelligence that is consistent with the use of type of generous size. In short, if we fail to make THE TRIBUNE worth its cost, it shall not be for want of expenditure or effort.

If it be deemed desirable by Republicans that THE TRIBUNE should be circulated in their several localities, we urge them to see that Clubs be made up and forwarded in due season. The Postmasters are semi-officially admonished not to aid our circulation, but to urge instead that of journals deemed "sound," and "National" by the compatriots of Atchison and Stringfellow. We ask live Republicans everywhere to care that these efforts be not effectual to quench the light of Freedom in the murky mists of Slavery.

MAP OF TIOGA COUNTY,

From actual Measurement, and Surveys throughout the county. By a corps of Surveyors who are fully competent to the difficult task assigned them.

THE undersigned will publish shortly, provided a sufficient number of Subscribers be obtained, a

NEW AND COMPLETE MAP OF TIOGA COUNTY.

All the public Roads, Railroads, Crossings and Stations, Post-Offices, Churches, School Houses, Stores, Mills, Public and Private Houses, Cemeteries, Manufactories, Shops, &c., are to be shown on the Map, in addition to the usual topography of Rivers, Streams, Ponds and Mountains. The names of property holders generally, (including those in the county who subscribe in advance for the Map) are also to be inserted at their respective places, in the style of the Maps exhibited by the canvassers.

Maps of the principal villages will be inserted, on a large scale, in the margin; also engraved views of public and private buildings.

No expense will be spared to execute the Map in the highest style of art. The plan will be plotted on a suitable scale, so as to show distinctly all the particulars above specified, and make a large and ornamental map. To be engraved and delivered to subscribers, handsomely colored, so as to show the territory comprised in each town-ship, and mounted on rollers. As the map will contain some eighteen square feet of engravlug, at a cost of several thousand dollars, it will be seen that only a large subscription list will warrant the heavy expense incurred. The maps are sold only by subscription, and at only one price. No more maps issued than subscribed for. The map will contain tables of the population, productions, assessed value of property, religious societies, schools, number of voters, &c., of each township and village respectively, carefully made up from the latest authentic documents.

Relying upon a just appreciation of our efforts, by the citizens of Tioga, to issue a map of their county on the above plan, that shall answer their proper expectations, and be entirely satisfactory, subscriptions are respectfully solicited by

James D. Scott, Publisher,
PHILADELPHIA.
