If Lieutenant Governor Roberts should remain away, the President of the Senate will deliver the Message, as acting Governor .---There is a strong determination on the part of a majority of the members to go on with the business for which they have assembled i although it appears doubtful to me that they will be able to do so.

No attempt was made to resist the authority of the Marshal, yet very strong feeling was exhibited by the people who had assembled to witness the organization of the first Legislature of the State.

The weather is extremely cold. To-day the thermometer is 10 deg. below zero. ZERO.

LAWRENCE, Jan. 7, 1857.

A messenger arrived here this afternoon, and brings information that several of the members of the Legislature, which met at Topeka yesterday, were arrested by the United States Deputy Marshal, upon a writ issued by Judge Cato. They are charged with treason, as their election was held under no legal authority. The balance of the members present were too quick for the Marshal, and escaped. The prisopers are to be taken before Cato, who is very desirous of placing State prison jewels upon their limbs. Weather exceedingly severe-thermometer eight degrees below zero. Our river is frozen up, ZERO. Business at a stand.

ALBION, N. Y., Jan. 16-8 p. m .- A terrible riot is now going on in Main street, between a party of Americans and a party of Irish. Two men are dead and several others are lying on the ground dangerously wounded. Knives and other weapons are being freely wsed.

SECOND DISPATCH .--- It appears that this is nav-day for the Irish laborers on the Canal. They went in crowds to be paid, and have been drinking all day, and this evening found themselves ripe for a row. We cannot learn that anything but whisky is at the bottom of the riot. Two Irishmen have been killed and four Americans so injured that they are not expected to live
