HERRING'S SAFE

AGAIN
THE CHAMPION!
The only Safe which, in every instance, preserved their entire contents in the late Extensive Fires.

AT the burning of the Artizan Buildings, April 10th, and in the great fire in Market Street, May 1st, 1856, the genuine HERRING SAFE preserved the Jewelry of Geo. W. Simons & Bro.; Books, Papers, &c. of Fisher & Bro., and Edward Seamans & Co., after remaining exposed in the burning ruins for nearly FORTY HOURS, and proving conclusively what we have always claimed for them, their great superiority over all securities now known.
In these fires, the HERRING'S SAFE, standing side by side with those advertised as "warranted to stand 10 per cent. more fire than Herring's came forth the acknowledged victor, not only preserving their contents in excellent order, but being themselves in a condition to go through another ordeal, while the boasted "Salamanders" of other makers were badly used up in every instance, and in some cases their entire contents completely destroyed.
To the public we would simply say, that during the fourteen years the Herring's Safe has been before them, more than two hundred have passed through accidental fires without the occurrence of a single loss.
We would therefore, caution purchasers against the misrepresentation of interested parties. The Herring's Patent is the only Fire-proof Safe made in this city, which is protected by a Patent Right, and we will guarantee it to resist more than double the amount of heat of any other safe now known.
FARRELS AND HERRING,
Sole Manufacturers in this State of
Herring's Patent Champion Safes.
31 Walnut Street, Philadelphia.
N. B.—"Evans & Watson's Improved Salamanders," "Oliver Evan's," "O. J. Gaylord" and "Scott's Asbestos" Iron Chests (a large assortment having been taken in part payment for Herring's,) will be sold at low prices.

MAP OF TIOGA COUNTY.
From actual Measurement, and Surveys throughout the county. By a corps of Surveyors who are fully competent to the difficult task assigned them.
THE undersigned will publish shortly, provided a sufficient number of Subscribers be obtained, a
NEW AND COMPLETE MAP OF TIOGA COUNTY,
All the public Roads, Railroads, Crossings and Stations, Post Offices, Churches, School Houses, Stores, Mills, Public and Private Houses, Cemeteries, Manufactories, Shops, &c., are to be shown on the Map, in addition to the usual topography of Rivers, Streams, Ponds and Mountains. The names of property holders generally, (including those in the county who subscribe in advance for the Map) are also to be inserted at their respective places, in the style of the Maps exhibited by the canvassers.
Maps of the principal villages will be inserted, on a large scale, in the margin; also engraved views of public and private buildings.
No expense will be spared to execute the Map in the highest style of art. The plan will be plotted on a suitable scale, so as to show distinctly all the particulars above specified, and make a large and ornamental map. To be engraved and delivered to subscribers, handsomely colored, so as to show the territory comprised in each township, and mounted on rollers. As the map will contain some eighteen square feet of engraving, at a cost of several thousand dollars, it will be seen that only a large subscription list will warrant the heavy expense incurred. The maps are sold only by subscription, and at only one price. No more maps issued than subscribed for. The map will contain tables of the population, productions, assessed value of property, religious societies, schools, number of voters, &c., of each township and village respectively, carefully made up from the latest authentic documents.
Relying upon a just appreciation of our efforts, by the citizens of Tioga, to issue a map of their county on the above plan, that shall answer their proper expectations, and be entirely satisfactory, subscriptions are respectfully solicited by
James D. Scott, Publisher,
PHILADELPHIA.
I. D. RICHARDS, Agent at Wellsboro' Pa. (Sept. 25.)

IMPROVEMENT EXTRAORDINARY,
WE would respectfully call the attention of Mill owners and all interested in the use of water power in this vicinity, to a patented Iron Water Wheel, (called Greenleaf's gravity and percussion Water Wheel,) one of which they have recently put in a Saw Mill owned by Judge White of Wellsboro' and Dr. Archer of Morris township, and situated one and a fourth miles from Bliss's Creek, on the Stony Fork. This wheel on Saturday the 7th inst. drove a single saw to saw five thousand, and one hundred feet of white pine lumber, 4100 feet of which was one inch in thickness, 1400 feet 2 inches thick, 500 feet 1¼ inches thick. This Wheel used a very small quantity of water, only discharging about 90 square inches and with about 11 feet head and full of water, while performing the above. These Wheels are well adapted to the propelling of all kinds of Machinery driven by Water power. They are very simple and substantial in their construction, and will do from one third to one half more than any other Wheel in operation in this vicinity with which they are acquainted. They offer for sale on very liberal terms the patent right for Counties or States, and also to furnish and put in operation the Wheels in Mills in this vicinity on reasonable terms. For further information address A. Greenleaf, Mortis township, Bubbs Post Office, or L. Vance care of P. P. Cleaver Wellsboro' Tioga Co. Pa.

THE SALAMANDER SAFES OF PHILADELPHIA
AGAINST THE WORLD.
EVANS & WATSON,
28 South Fourth Street, Philadelphia,
have had the surest demonstration in the following Certificates, that their manufacture of Salamander Safes has at length fully warranted the representations which have been made of them, as rendering an undoubted security against the terrific element:
PHILADELPHIA, April 12, 1856.
Messrs Evans & Watson—Gents:—It affords us the highest satisfaction to state to you, that being to the very protective qualities of two of the Salamander Safes which we purchased of you some few months since, we saved a large portion of our Jewelry, Books, Papers, &c., exposed to the calamitous fire in Ranstead Place, on the morning of the 11th inst.
Our Safes were in the fifth story, and these safes were located in the fourth story of the building we occupied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the brass plates to melt, we cannot but regard the preservation of the valuable contents as most convincing proof of the great security afforded by your Safes. We shall take much pleasure in recommending them to men of business as a sure reliance against fire.
GEORGE W. SIMONS & BRO.
PHILADELPHIA, April 12, 1856.
Messrs Evans & Watson—I have to offer you my testimony in favor of the great security afforded to my entire stock of jewelry, books, papers, &c., during the recent disastrous conflagration in Ranstead place, from the fact that the same were contained in two of the Salamander Safes manufactured by you. Having fallen from the fifth story of the Artizan Building, where they were previously placed and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to every one who witnessed the opening and interior examination, a matter of profound astonishment.
To all who may require a perfect protection from the ravages of fire, I shall not hesitate to recommend the use of your Safes, as I consider they have now undergone the most trying test.
N. E. MORGAN.
PHILADELPHIA, April 14, 1856
Messrs Evans & Watson—Gentlemen—No doubt you will be deeply gratified to learn the good condition in which I discovered my book, policy of insurance, certificates of stock, and other valuable documents, when on Friday last I opened the safe made by your firm.
With my knowledge of its great exposure, both to the intensity of the heat from so hot a fire as that which destroyed the Artizan Building, as also from the force of the fall from its former elevated position in the third story, I could entertain but slender hopes prior to its interior inspection, that the contents which I once so highly prized would ever be of any service to me, but as these fears are now happily removed, I feel it only due to say to you, that I can henceforth recommend the use of your Safes to all who may wish to feel a confidence in the perfect security which such means provides against so frightful an element.
July 3d 1856. EDWARD GASKILL, Bookbinder.

DR. J. B. MARCHISI'S
CELEBRATED CATHOLICON
FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

IT stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called
FEMALE COMPLAINTS.
Of these are PROLAPSUS UTERI, or falling of the womb; FLUOR ALBUS, or whites; CHRONIC INFLAMMATION AND ULCERATION OF THE WOMB; INCIDENTAL HEMORRHAGE; PAINFUL, SUPPRESSED, AND IRREGULAR MENSTRUATION &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing.
This medicine has never been introduced by empty puffs and misrepresentations; nor is it intended that its present popularity shall be sustained by any medium but its merits and the approbation of the public.
REFERENCES.
The Medicine is now well known and appreciated, and will have a steady and increasing sale. I know of no preparation that can compare with it for the particular complaints for which it is designed. I am satisfied, by the use now making of it in my own family, and by almost every day's evidence of its benefits to others, that it justly merits the warmest recommendations its best friends have given of it.
M. B. PERKINS, M. D., Marietta, Ohio.
I am persuaded, after trying it in a great many cases, that it surpasses all other remedies within my knowledge for that class of difficulties for which it is recommended. It has cured some very extreme cases under my observation, which have resisted all other treatment. L. D. FLEMING, M. D.
Avon Springs, N. Y., (late of Rochester.)
Prevail on medical men to adopt it in their practice; and I have no fears of the result; from what knowledge I have obtained personally of its curative powers. I wish the medicine kept here. T. C. HAWKINS, M. D., Waynesburg, Pa.
The following letter, from a lady, was addressed to Dr. John D. Vowell, at Washington, Pa., with whom the Catholicon is on sale. We are not at liberty to give the lady's name.
BUFFALO, Washington Co. Pa. Feb. 5, 1856.
DEAR SIR:—After waiting to give the Catholicon a fair trial, I now have the pleasure to say, I think it is all that it is said to be. In the case in which I saw it in use, the patient, at the time of commencing it, was suffering the most excruciating pain; she could not lift a two pound weight, without severe pain. Now she can do her work with pleasure. Her general health has also much improved. The directions must in all cases be strictly followed, &c.
Having now used the remedy for four years in my practice, I rely wholly on it for the cure of almost all female diseases With many regards for yourself, I remain yours, &c.
H. F. BENNETT, M. D., Canandaigua, N. Y.
The claims of this medicine to the confidence of the public are strengthened by the fact of its having received the approbation and liberal patronage of many prominent members of the Medical Faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlet,) sustaining all that is claimed for it as a curative agent. Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from ladies of the highest respectability, as certified by the most satisfactory authority, to all which the attention of ladies and practitioners is respectfully invited, can be had gratis at the store of
