THE TLOGA COUNTY AGIEATOR

_____ BAD FIX .--- A lad named Tracy, 14 years of age, on Saturday forehoon last, was passing through Colt's Meadows, carrying the dinner of one of the workmen'In the armory. and was passing along where the snow was about a foot deep, when he sudddenly found himself going down, down, down, he knew not where ; but, to use his own expression, he thought he was "going to heaven or the other place, sure." When he struck bottom, he found himself in five feet of water at the bottom of a forty foot well, wih a smooth brick wall, all the way up. Fortunately, in coming to the surface of the water, he found a stout plank, upon which he supported himself for half an hour, calling for help; but no help came. Getting desperate, the boy out with his knife, and, while holding on with one hand to the plank, cut off his boots, tore off his coat and vest, and then, bracing his back against the wall and his feet upon the other side, he commenced working his way up, by inches. After struggling in this way Amount paid J. Emery,..... for half an hour, he succeeded in reachnig daylight, completely exhausied; but thankful to escape with his life. His escape from death was remarkable, under the circumstances.-Hartford Courant.

BUCHANAN'S ELECTION-A MORAL DE-FEAT .--- It is now evident that the election of Mr. Buchanan is a moral defeat. It is equally evident that the war between the North and the South did not end on the 4th November, 1856. It rather had a new beginning then, and will certainly not end before 1860. We are perfectly satisfied that the triumph, as it is termed, of the Democratic party, is the mere success of forces, and not the definite vindication of principle-a simple respite for the present, without any security for the future.-N. O. Delta.

The composition of Mr. Buchanan's Cab. inet continues to cause much excitement among the Democracy, especially among the Virginians, who seek to assume a sort of guardianship over the President elect. It is considered as pretty much settled that one old-line Whig will be placed in the Cabinet, as a reward for the aid rendered by Silver Grey Whiggery to Hunker Democracy, in achieving a pro-Slavery victory. Howell Inc Cobb is Mr. Buchanan's selection for the Treasury department, and if any Pennsylva. nian gets a place in the Cabinet, it will be J. Glancey Jones, and not Forney, Black or Buckalew.

STATEMENT THE TRIBUNE FOR 1857.

The Election is past, and its result proves that be work devolved on the Republican party is not et completed.
