chanan, the friend of Free Kansas and Sabbath Schools," has seen fit to give him an important and responsible office. On the jury that is to decide the case of Emery, are Colonels Paine and Clarkson, postmaster of Leavenworth City, and both under bonds to appear for trial, before the same court, on indictment for murder and robbery, found by the grand jury last winter. With such men as jurymen, Emery, the murderer of Phillips and Blimmerton, in cold blood, in such a court is sure of acquittal.

"Jacob Cody, a member of the Topeka Constitutional Convention, was driven from his home last summer by the Emery banditti, exposed to the weather for nights and days. He contracted a cold, from which he never recovered, but died a few days since, another victim to the murderous spirit of Emery, who would not risk himself in a fair fight with his opponents, but preferred to take men when alone, and murder them in cold blood. And such ruffians has Buchanan selected to fill the Federal appointments for this Territory. This is "Buchanan and Free Kansas" with a vengeance."

WHAT IT COSTS TO ENSLAVE KANSAS.-The effort to force slavery into Kansas has proved expensive to the party that the people hold responsible for the outrage. It has cost the democracy its ascendency in Maine, New Hampshire, Michigan, Wisconsin and lowa. It has cost them a dozen seats in the U. S. Senate. It has victimized three territorial governors. And finally, it has sectionalized the Supreme Court of the United States. If the design of swindling freedom out of Kansas is persisted in, we shall see at what further cost that design is prosecuted!-Alb. Eve. Journal.

In Winchester Center, (Conn.) there has not been a death in one and a half years, and been but one or two deaths in three years. The village is surrounded by one hundred and fifty coal pits, and there is no physician in the place.

#### WHISKERANDO La Salle's Original. ONE DOLLAR A BOX.

TRY IT! TRY IT! PROF. GEO. H. DE BAR, has recently returned I from Europe, and while there, obtained from the celebrated French Chemist, La Salle, at an enormous butlay, the receipt and exclusive right of the United States and Canadas, to manufacture and sell this celebrated preparation called "whiskerando," which has never been known to fail to cause whiskers and moustaches to grow luxuriantly and heavy, even on heartless faces, in two months after first application. To those persons whose beards are light and wiry it recommends itself. A few-applications w'll render it soft, thick and pliable. Frenchmen ate noted for their beautiful whiskers and mone ate noted for their beautiful whiskers and mous-tach, 28, which many of them attribute to the excel-lence of La Salle's Whiskerando. Price 31 per box; sent to any part of the United States or Cana-das per mail, upon the receipt of \$1. Address, Prof. GEO. H. DE BAR,
