WHISKERANDO. La Salle's Original.

ONE DOLLAR A BOX. TRY IT! TRY IT!

PROF. GEO. II. DE BAR, has recently returned I from Europe, and while there, obtained from the celebrated French Chemist, La Salle, at an enorthe ecceptated French Chemist, La Satie, at an enor-mous outlay, the receipt and exclusive right of the United States and Canadas, to manufacture and sell this celebrated preparation called "whiskerando," which has never been known to fail to cause whisk-ers and moustaches to grow luxuriantly and beavy, even on beardless faces, in two months after first ar plication. To these persons whose beards are light and wiry it recommends itself. A few applications w'll render it soft, thick and pliable. Frenchmen ato noted for their beautiful whiskers and moustac, 25, which many of them attribute to the excel-lence of La Salter Whiskerando. Price SI per box; sent to any part of the United States or Cana-das per mail, upon the receipt of \$1. Address, Prof. GEO. II. DE BAR, April 16, 1857.-3m, New York City. Notice.

22000 tons of coal under each acre. This will make the land of incetomable value. The eminent state geologist Dr. Chas. T. Jackson of Boston. has made a geologucal survey of the land, and analysed the coal, the ron ore and the limestone. This report together with maps will be furnished to inquirers. *Thint*—Three railcoals are laid out through this property. *The Sunbury* and Erie Railroad gives us a market for our coal to the lakes—it runs from Erie to Philadelphila. A large part of this road has been finished, and is now in running order. A heavy force is now working from Erie to wards our land in the western direction, the means for the coupletion of which has been raised—it will soon be finished. The Alleghany Valey Railroad connects us with New York, Boston and Pitts-burg. The Venango Road Cumpike Roads running through this property, various other roads have been opened to accom-modate the emigration and settlement which has already ta-ken plues.

There is no opportunity equal to it now offered to the man who dato the emigration and settlement which has already ta-ken place. There is no opportunity equal to it now offered to the man who wants to provide humself a home in an easy way, and make a settlement where he can live in property and inde-pendence in a climate PERFECTA. HEALTHY. No cass of the fever ever having been known to occur in this settlement. It is not like going to the backwoods of the West, among perhaps indolerant people, where there is no so-cort, churches, or schools, where the price of land is high, and where the emigrant, after boing used to the healthiest cli-mate in the world, has to endure sickness and pain, and per-haps rains his health and that of his family. But here is a thrving settlement having three towns, containing churches, when hotels, storer, saw mills, grist mills, and everything desired. There is a cash market at hand. The lumber trade laty ear amounfed to over two hundred million feet of hum-ber. In a short time, owing to the cosh, it will become still will soon be started; they are at present starting them ex-tensively at Warren. Even for those who do not wish to go there, the payments are such that they can easily buy a farm to save their rising families from wark in the fufuse, or to sale of lands. By an outlay scarcely missely, a substantial provision can be made.
