DOWN WITH COMBINATIONS. An Open Field for Competition.

K ANSAS has had her share of the Glory, Fun, Confusion & c., and I am happy to state that she is about quieting herself and yielding the palm to the little village of Tioga. About the first of November last I commenced

selling Goods in Tioga, am still selling. For a little time past there has been quite an effort on the part of some to establish a standard price for goods par ticularly on leading articles the very articles of which the poor man uses the most. A few days since I made up my mind to change my prices or

FLOUR & MEAL, as I thought I had a right to. I therefore had a very modest handbill printed informing the people of what I intended doing in the fature. No sconer had the fact become known that I had reduced the price. than one man selling the same kind of Goods, says "Its a he! Can't be the same article! I know it ain't good !" Another, interested in keeping up old fogy prices, presents the documents to show that from the prices he pays in Buffalo for Flour, Meal &c., of course ETZ'S article at the low price can not be as good as ours at our high prices. Great discovery! Sensible reasoning! Humbug conclusion !

How long since did they find out that my articles were not tip-top? Why, just the moment my price did not agree with theirs. Our only answer to their unkind remarks toward us, is, that our flour was very nice until we changed the price. Did that change the quality ? when it is the self same article we have sold since last April. Hundreds can beau me witness that it is as nice as any article they ever used

It has never been our practice nor never will be to say aught of the quality of our neighbor's goods. But we do say that our "extra superfine" and "superfine" flour is as good as any flour manufactured or sold in Tioga County. You citizens that buy don't longer believe the humbing van that buy don't longer believe the humbing van that you must pay from 50 to 75, per cent for goods, especially if you get trusted a few months. No wonder every plank in the Wellsboro' and Tioga Plank Road has received a thousand curves from the merchants of eccived a thousand curses from the merchants of Floga village, because it has driven trade from us they say. The curses will grow loader and deeper both from bayer and seller until Goods are sold at a reasonable cash profit. Since we commenced we have tried to meet the wants of the public, and we flatter ourselves that our large cash sales are goo evidence that our effort has not been a failure, but has been appreciated by a generous and candid pub lic. We shall continue selling Goods in the corner store of A. C. & J. S. Bush, Hirectly opposite of Baldwin, Lowell & Co., where we shall be pleased Durawin, Lowell & Co., where we shall be pleased to show our Goods and give our prices. We shall buy a large stock of all kinds of Goods in New York this fall, and shall hope by pursuing a straight forward course to merit the favor of enough of the people of Tioga county to sell them and get our pay. We shall try and have the quality and price satis-factory. Call and see before nurchasing.
