OPPOSITION TO HIGH PRICES. NO MONOPOLIES: DOWN WITH COMBINATIONS

An Open Field for Competition. K ANSAS has had her share of the Glory, Fun, confusion &c., and I am happy to state that she is about quicting herself and yielding the palm to the little village of Tioga.

About the first of November last I commenced

selling Goods in Tioga, am still selling. For a little time past there has been quite an effort on the part of some to establish a standard price for goods parof some to extend a state of the very articles of which the poor man uses the most. A few days since I made up my mind to change my prices on

FLOUR & MEAL, as I thought I had a right to. I therefore had very modest handbill printed informing the people of what I intended doing in the future. No sooner had the fact become known that I had reduced the price, than one man selling the same kind of Goods, says:
"Its a he! Can't be the same article! I know it "Its a he! Cen't be the same article! I know it ain't good!" Another, interested in keeping up old fogy prices, presents the documents to show that from the prices he pays in Buffala for Flour, Meal &c., of course ETZ'S article at the low price can not be as good as ours at our high prices. Great discovery! Sensible reusoning! Humbug conclusion!

How long since did they find out that my articles were not tip-top? Why, just the moment my price did not agree with theirs. Our only answer to their onkind remarks toward us, is, that our flour was very nice until we changed the price. Did that change the quality? when it is the self same article we have sold since last April. Hundreds can bear me witness that it is as nice as any article they eve

used.

It has never been our practice nor never will be It has never been our practice nor never will be to say aught of the quality of our neighbor's goods. But we do say that our "extra superfine" and "superfine" flour is as good as any flour manufactured or sold in Tioga County. You citizens that buy don't longer believe the humbur yarn that you must pay from 50 to 75 per cent for goods, especially if you get trusted a few months. No wonder every plank in the Wellsboro' and Tioga Plank Road has received a thousand curses from the merchants of Tioga village, because it has driven irade from us Tioga village, because it has driven irade from us, they say. The curses will grow louder and deeper both from buyer and seller until Goods are sold at both from buyer and seller until 6000s are sold at a reasonable cash profit. Since we commenced we have tried to meet the wants of the public, and we flatter ourselves that our large cash sales are good evidence that our effort has not been a failure, but has been appreciated by a generous and candid pub-lic. We shall continue selling Goods in the corner store of A. C. & J. S. Bush, directly opposite of Baldwin, Lowell & Co., where we shall be pleased to show our Goods and give our prices. We shall buy a large stock of all kinds of Goods in New York this fall, and shall hope by pursuing a straight forward course to merit the favor of enough of the people of Tioga county to sell them and get our pay. We shall try and have the quality and price satisfactory. Call and see before purchasing.
