N. Y. Tribune. TOBACCO IN CHEMUNG COUNTY .- Many of our readers, we presume, are not aware of the extent to which the tobacco crop is planted in this county. In the town of Big Fiats we learn there are about eleven hundred acres planted with tobacco. The town of Chemung has also a very large amount of land in tobacco. In fact, we believe, there s no town in the county which has not a considerable amount of the weed in prospect.-It is a very tender crop to, raise in this section, but when it succeeds well it is extremely profitable. We understand that the prospects or this year are entirely satisfactory to those nterested .- Elmira Advertiser.

OPPOSITION TO HIGH PRICES. NO MONOPOLIES: DOWN WITH COMBINATIONS.

An Open Field for Competition.

ANSAS has had her share of the Glory, Fun,

Confusion &c., and I am happy to state that
she is about quieting herself and yielding the palm
to the little village of Tioga.

About the first of November last I commenced
selling Goods in Tioga, am still selling. For a little
time past there has been quite an effort on the part
of some to establish a standard price for goods particularly on leading articles the very articles of
which the poor man uses the most. A few days
since I made up my mind to change my prices on

FIAOUR. & WEAT.

FLOUR & MEAL,
as I thought I had a right to. I therefore had a
very modest handbill printed informing the people of what I intended doing in the future. No sooner had the fact become known that I had reduced the price, than one man selling the same kind of Goods, says:
"Its a lie! Cun't be the same article! I know it nin't good!" Another, interested in keeping up old fogy prices, presents the documents to show that from the prices be pays in Buffulo for Flour, Meal &c., of course ETZ'S article at the low price can not be as good as ours at our high prices. Great discovery! Sensible reasoning! Humbug conclusion!

How long since did they find out that my articles were not tip-top? Why, just the moment my price lid not agree with theirs. Our only answer to their unkind remarks toward us, is, that our flour was very nice until we changed the price. Did that change the quality? when it is the self same article change the quality? when it is the self same article we have sold since last April. Hundreds can bear me witness that it is as nice as any article they ever

It has never been our practice nor never will be to say aught of the quality of our neighbor's goods. But we do say that our "extra superfine" and "superfine" flour is as good as any flour manufactured perfine" flour is as good as any flour manufactured or sold in Tioga County. You citizens that buy don't longer believe the humbug yarn that you must pay from 50 to 75 per cent for goods, especially if you get trusted a few months. No wonder every plank in the Wellsboro' and Tioga Plank Road has received a thousand curses from the merchants of Tioga village, because it has driven trade from us, they say. The curses will grow louder and deeper both from buyer and seller until Goods are sold at a reasonable cash profit. Since we commenced we have tried to meet the wants of the public, and we fulter curselyes that our large cash sales are good flatter ourselves that our large cash sales are good evidence that our effort has not been a failure, but evidence that our enort has not been a failure, but has been appreciated by a generous and candid public. We shall continue selling Goods in the corner store of A. C. & J. S. Bush, directly opposite of Baldwin, Lowell & Co., where we shall be pleased to show our Goods and give our prices. We shall buy a large stock of all kinds of Goods in New York this fall and shall hope by pursing a straight York this fall, and shall hope by pursuing a straight forward course to merit the favor of enough of the people of Tioga county to sell them and get our pay. We shall try and have the quality and price satisfactory. Call and see before purchasing.
