are an admirable remedy for detangements of that organ,—

They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which seen cured her, be expelling large quantities of worms (dead) from her boly. They afterwards cured her and our two children of bloody dysentery.—
One of our neighbors had it had, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctor's bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.
