Pittsburg, Penna. May 1, 1255.

DR. J. C. Aver. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a fount stomach, which they cleans at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLI,

Clerk of Steener Clarion. Bilious Disorders and Liver Complaints.

Department of the Interior, Washington, Feb. 7, 1856.
Sn: I have used your Pills in my general and hospital practice ever since you made them, and caunot hesitate to say they are the best exthartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for decangements of that organ—Indeed, I have seldom found a case of billons disease so obstinate that it did not readily yield to them.

Dn. Arzn: Your Pills are the perfection of medicine.—
They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling arge quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery.—
One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctor's bills, and lost much time, without being cured entirely even then. Such a medicine as your, which is actually good and honest, will be prized here.
