HONESDALE BANK .- In the general moneary panic that prevails in the community. ispension of Banks, and consequent distrust revailing among all classes, it is certainly ratifying to be assured as we are, that the lonesdale Bank stands firm, and continues redeem its notes in specie, when required, usual.

We understand that the Del. and Hud. anal Co., and the Penn. Coal Co., are king their payment in Honesdale money. his fact of itself ought to be a sufficient arantee of the soundness and stability of Honesdale Bank. Let all holders of bills said Bank be satisfied, and rest assured at they are just as good as the gold .rhondale Advance.

The Miners' Journal favors a law to imson every person who receives more than per cent either in negotiating notes or any er way. Would Journal drive away the tle money now in circulation in this State? he low rate of interest and the stringent ws against usury have already induced any of our capitalists to invest in sections here money brings a better return. In New rk, the legal rate is 7 per cent; in Illinois ; and in Minnesota money can be loaned 35 per cent, with an equal security. Does the difference in the rate account for the rcity of money here? Then why make laws more stringent? Better, far better, the rate. - Mauch Chunk Gazette.

It has never been our practice nor never will be It has never been our practice nor never will be to say aught of the quality of our neighbor's goods. But we'do say that our "extra superfine" and "superfine" flour is as good as any flour manufactured or sold in Tioga County. You citizens that buy don't longer believe the humbng yarn that you must pay from 50 to 75 per cent for goods, especially if you get trusted a few months. No wonder every plank in the Wellsboro' and Tioga Plank Road has received a thousand curses from the merchants of Tioga village, because it has driven trade from us. Tioga village, because it has driven trade from us, they say. The curses will grow louder and deeper both from buyer and seller until Goods are sold at a reasonable cash profit. Since we commenced we have tried to mee! the wants of the public, and we flatter ourselves that our large cash sales are goo evidence that our effort has not been a fuilure, but has been appreciated by a generous and candid pub-lic. We shall continue selling Goods in the corner store of A. C. & J. S. Bush, directly opposite of store of A. C. & J. S. Bush, directly opposite of Baldwin, Lowell & Co., where we shall be pleased to show our Goods and give our prices. We shall buy a large stock of all kinds of Goods in New York this fall, and shall hope by pursuing a straight forward course to merit the favor of enough of the people of Tioga county to sell them and get our pay. We shall try and have the quality and price satisfactory. Call and see before purchasing.
