

WIT OF DOUGLASS JERROLD.—In one of Douglass Jerrold's plays, an old sailor, trying to snatch a kiss from a pretty girl, got a box on the ear. "There," exclaimed he, "like my luck; I always get wrecked on coral reefs!" The manager not being able to see the joke, it was cut out by the author.

The following saying was likewise sacrificed by Jerrold, on account of a captious remark by a friend to whom the manuscript was read. A cynic, wrangling with his better half, in one of his comedies, was represented as saying to her: "My notion of a wife of forty is, that a man should exchange her, like a bank note for two twenties!"

To CLEAN SILK.—Pare and slice thin three washed Irish potatoes. Pour on them a half-pint of boiling water, and let it stand till cold. Strain the water, and add an equal quantity of pure alcohol. Sponge the silk on the right side and when half dry iron it on the wrong side. The lightest colored silk may be cleansed and brightened by this process; also, cloth, velvet, or crape.

COLD.—Abstain from all food for a day or two and drink cold water freely, and your cold will be gone. This is the simplest and most effectual remedy yet known.

LIGHTNING.—Persons rendered insensible by a stroke of lightning, may be revived by pouring cold water over the face and head.

Many a man has rashness enough to do wrong, who has not courage enough to confess it.

Brave actions are the substance of life, and good sayings the ornament of it.

Vice stings even in our pleasures, but virtue consoles even our pains.

AYER'S CATHARTIC PILLS (SUGAR COATED). ARE MADE TO CLEANSE THE BLOOD, AND CURE THE SICK. INVALIDS, read their Effects, and judge of their virtues for the CURE of Headache, Sick Headache, Foul Stomach, Bilious Disorders and Liver Complaints.

Department of the Interior, Washington, Feb. 7, 1856. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the Liver is quick and of perfect order. They are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to their use. Fraternal yours, ALONZO BALL, M. D., Physician of Marine Hospital.

Dysentery, Relax, and worms. From a Female, March 17, 1856. Sir, I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the Liver is quick and of perfect order. They are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to their use. Fraternal yours, ALONZO BALL, M. D., Physician of Marine Hospital.

Indigestion and Impurity of the Blood. From Rev. J. V. HIMES, Pastor of the Baptist Church, Boston. Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best medicine I know, and I can confidently recommend them to my friends. Yours, J. V. HIMES, Warsaw, Wyoming, Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D. Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Female, March 17, 1856. Sir, I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the Liver is quick and of perfect order. They are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to their use. Fraternal yours, ALONZO BALL, M. D., Physician of Marine Hospital.

From the Rev. Dr. HAYDEN of the Methodist Pulpit, Church, Pultneyville, June 6, 1857. HONORABLE SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. I sold settled in my native town, and was afflicted with rheumatism, which ended in chronic rheumatism. My standing had the best of physicians, the disease grew worse and worse, until I was unable to attend to my business. Dr. Mackenzie, I tried your Pills, and they were slow, but sure. By persevering in the use of them I am now entirely well. SENATE CHAMBER, Boston, June 10, 1857. Dr. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that has afflicted me for years. My joints were so swollen that I could not walk. I tried your Pills, and they were slow, but sure. By persevering in the use of them I am now entirely well. SENATE CHAMBER, Boston, June 10, 1857. For Dropsy, Plethora, or kindred complaints, requiring an active purge, they are an excellent remedy. For Constiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual. Fits, Suppression, Paralysis, Inflammation, and every kind of morbid and Partial Blindness, have been cured by the alternative use of these Pills. Most of the pills in market contain Mercury, which, although a valuable remedy in small quantities, is dangerous in a large quantity from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

HERRING'S SAFE, THE ACKNOWLEDGED CHAMPION. THE RECENT TRIALS at Reading have endorsed the current of public opinion, and confirmed the verdict of more than 2000 witnesses, proving conclusively that "Herring's" is the ONLY SAFE that will not burn.

Reading, Pa. The 25th of February all the members of the committee met to witness the Safes and books and papers, (placed in them) and were perfectly satisfied that all was right. The day following, the burning took place, under the superintendence of the Committee. After a fair and impartial burning for five hours, the Safe of Messrs Evans & Watson was first opened, the Safe being on fire inside, and the contents totally consumed, while the contents in the Safe of Messrs Farrels & Herring were in good condition, and no fire inside.

And endorsed by over 50 of the best men of Reading. The above Safe was inspected at Walnut Street, where the public can satisfy themselves of the great superiority of the "Herring Patent Champion," over the defeated and unsound "Herring Patent Champion." Only Makers in this State & HERRING, 34 Walnut Street, Philadelphia. The attempt made by other parties to bolster up the reputation of a Safe which has failed so signally in accidental fires in Philadelphia, (Hanstead Place), by making an agent's store, (H. A. Lantz), from the Committee's report, different from those they sell to "burn up" one of Herring's, (half as thick) has met with its true reward. Herring's Safe could not be burnt, proving conclusively that the only reliable Safe now made is "Herring's" of which over 15,000 are now in actual use, and more than 200 have been tried by fire without being injured.

EVANS & WATSON, PHILADELPHIA Manufacturer of Salamander Safes, No. 26 S. Fourth Street, Philadelphia. Truth is Mighty and must Prevail. Report of the Committee appointed to superintend the Burning of the Iron Safes, at Reading, Feb. 27, 1857.

The undersigned, members of the committee, do respectfully report, that we saw the two Safes originally agreed upon by Farrels & Herring and Evans & Watson, placed side by side in a farm yard; The Safe in use by the Farmers of the Philadelphia and Reading Railroad Company, in his office at Reading, manufactured by Farrels & Herring, and the safe in use by H. A. Lantz, in his store, manufactured by Evans & Watson, and put in books and papers precisely alike.

The fire was started at 8 1/2 o'clock, A. M., and kept up until four cords of green hickory, two cords of oak and half chestnut log wood were entirely consumed, the whole under the superintendence of the subscribers, members of the Committee. The Safes were then cooled off with water, after which they were opened and the books and papers taken out by the Committee and sent to H. A. Lantz's store for public examination, after they were first examined and marked by the Committee. The books and papers taken from the Safe manufactured by Evans & Watson were but slightly affected by the intense heat, while those taken from the Safe manufactured by Farrels & Herring were in our judgment, damaged fully fifteen per cent more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both Safes. JACOB H. DYSSER, DANIEL S. HUNTER, G. A. NICHOLS, H. H. MUELENBERG, JAMES MILHOLLAND, EVANS & WATSON have now on hand 300,000 pounds of the above Safes, which they offer for sale on better terms than any other Manufacturer in the United States.

The following named gentlemen, residents of Reading and its vicinity, who saw the above fire, have purchased Safes from Evans & Watson since the burning up to May 1st, 1857. G. A. Nicolls, 1; Lepold Hirsh, 1; Isaac Ruth, 1; Kirk & Heister, 2; Dr. Wm. Rhoads & Son, 1; Henry W. Missinger, 2; Dr. Wm.
