TIOGA COUNTY, ss: The Commonwealth of Pennsylvania to the Sheriff of said county, GREETING: In the matter of the Estate of Ephraim Thomas, late of the township of Lawrence in the County aforesaid.

Whereas, at an Orphan's Court held at Wellsboro, in and for the County of Tioga, the 8th day of September, A. D. 1857, before the Hon. Robt. G. White, President, and his associate Justices of the said Court, the petition of William Thomas of the township of Lawrence, was presented, setting forth: That the said Ephraim Thomas died intestate on or about the eighth day of September, A. D. one thousand eight hundred and fifty-two, leaving surviving him, six children, viz: William Thomas, the petitioner; Sally Thomas, intermarried with John Morehead, a resident of New York; Betsey Thomas, intermarried with Luman Peck; Mary Thomas, intermarried with George Mattison; Ephraim Thomas a resident of McKean County, Pa., and Elizabeth Thomas, that all the said children are now of lawful age; the said intestate died seized in his demesne as of fee of and in the following described real estate and messuage and tract of land situate in Lawrence township in said County: Bounded on the north by the Cowanesque river, on the east by lands of T. B. Tompkins, on the south by lands of T. B. Tompkins, and on the west by lands of William Thomas—containing about one hundred acres of land, with the appurtenances. No legal partition or valuation of said estate having been had, the petitioner prays the Court to order and appoint an inquest to make of the premises aforesaid and to estimate the same, and to divide the same among the children and representatives of the said intestate, in such manner and in such proportions as by the laws of this Commonwealth is directed, if such partition can be made without prejudice to or spoiling the whole; but if such partition cannot be made thereof, then to value and appraise the same and make report of their proceedings hereon according to law at the next Orphan's Court. Whereupon the said Court on due proof and consideration of the premises awarded an inquest for the purposes aforesaid.

We therefore command you that, taking with you twelve good and lawful men of your bailiwick, you go to and upon the premises aforesaid, and there in the presence of the parties aforesaid, by you to be warned if being warned they will be present, and having ascertained the true value thereof, and upon the oaths and affirmations of the said twelve good and lawful men, you make partition to and among the heirs and legal representatives of the said intestate, in such manner, and in such proportions, as by the laws of this Commonwealth is directed, if the same can be done without prejudice to or spoiling the whole.

But if the said inquest, by you to be summoned as aforesaid, shall be of opinion that the premises aforesaid, shall be of opinion that the premises aforesaid, with the appurtenances, cannot be parted and divided among all the persons entitled thereto as required by law without prejudice to or spoiling the whole, or that it cannot be divided into shares of equal value, then you cause the inquest to value and appraise the whole of the said real estate, or the several shares or portions into which they may divide the said real estate, having respect to the true valuation thereof as required by law.

But if said partition cannot be made thereof without prejudice to or spoiling the whole, then you cause the said inquest to inquire and ascertain whether the same will conveniently accommodate more than one of the said representatives of the said intestate without prejudice to or spoiling the whole. And if so, how many it will as aforesaid accommodate, and returning each party his metes and bounds, and returning just valuation of the same.

But if the said inquest, by you to be summoned as aforesaid, to make the said partition or valuation, shall be of opinion that the premises aforesaid with the appurtenances cannot be so parted and divided as to accommodate more than one of the said representatives of the said intestate, who you cause the inquest to value and appraise the whole of the said real estate, or the several shares or portions into which they may divide the said real estate, having respect to the true valuation thereof, according to law. And that the partition or valuation so made, you distinctly and openly have before our said Justices at Wellsboro, on an Orphan's Court then to be held on the seventh day of December, 1857, after such an inquest shall be made under your hand and seal, and under the hands and seals of those by whose oaths or affirmations you shall make such partition or valuation. And have you put the same in writing.

Witness the Hon. Robt. G. White, presiding judge of our said Court, the fifth day of October, A. D. 1857. W. D. BAILEY, Clerk O. C.
