Charles O. Etz of Tioga Village would respectfully call the attention of the public to the following advertisement. "Man wants but little here below not wants that little long" is an old saying and perhaps true to a certain extent. But it seems to me that in this time of general suspension and panic, everything is tending to a wants a little more still. The furmers (and they really ought to have as much as anybody, for they are to our country what a main spring is to a watch,) wants a little more for their wheat, buckwheat, rye, corn, oats, potatoes, &c., than the purchaser feels able and willing to pay. The merchant wants a little more for his Flour, Pork, Salt, Dry Goods, Boots & Sinces, Hats & Caps, Hardware, Crockery and ten thousand little things he has to sell than and ten thousand little things he has to sell than the farmer thinks he ought to pay. At this present time it seems to be conceded by all that the cash value of good wheat is \$1 per bushel; buckwheat, 2 to 2-6; corn 3-6 to 4-6; outs, 2 to 2-6; butter, 14 to 16 cents.
