BUCHU LEAVES are procured from the southern part of Africa. The Hottentots at the cape of Good Hope have long used this article as a remedy in a variety of diseases. From them the medicine was borrowed by the English and Dutch physicians residing there and by their recommendation it was soon employed in Europe. In process of time this medicine has come into general use, and is highly spoken of by the best medical writers. Physicians recommend it mostly for complaints of the urinary organs, such as gravel, a morbid irritation of the bladder and urethra, retention of urine, also incontinence of urine from want of tone in the urinary organs. It cools the unnatural heat and relieves pain; and in many cases of long standing it has been effectual when other valuable medicines had failed to produce an effect. The active principle of this medicine is a volatile oil which is mostly lost by the old process of boiling. Hence it requires great care and skilful management to prepare this medicine properly.

FLUID EXTRACT OF BUCHU is a strong or concentrated preparation prepared by the new process called "Displacement." By this the valuable properties of the Buchu are entirely preserved, and this form of the medicine is less liable to injury from age and more palateable. Useful equally in all cases of the kind whether male or female. Price. 75 cents per bottle. For sale at Roy's Drug and Chemical Store at Wellsboro Pa.

☞ This is no patent medicine or quack nostrum or secret remedy, but a new and improved preparation of a well known and valuable medicine.

Charles O. Etz of Tioga

Village would respectfully call the attention of the public to the following advertisement. "Man wants but little here below nor wants that little long" is an old saying and perhaps true to a certain extent. But it seems to me that in this time of general suspension and panic, everything is tending to a reversion of time-honored sayings, and everybody wants a little more still. The farmers (and they really ought to have as much as anybody, for they are to our country what a main spring is to a watch,) wants a little more for their wheat, buckwheat, rye, corn, oats, potatoes, &c., than the purchaser feels able and willing to pay. The merchant wants a little more for his Flour, Pork, Salt, Dry Goods, Boots & Shoes, Hats & Caps, Hardware, Crockery and ten thousand little things he has to sell than the farmer thinks he ought to pay.

At this present time it seems to be conceded by all that the cash value of good wheat is $1 per bushel; buckwheat, 2 to 2–6; corn 3–6 to 4–6; oats, 2 to 2–6; butter, 14 to 16 cents. Now to equalize the matter and make it satisfactory on both sides, I want and will agree to take from every farmer of Tioga county, all the wheat I can get for the next 60 days at 9 and 10 shillings per bushel according to quality; buckwheat at 2–6 to 3; corn 5 to 5–6; oats 2–9 to 3 shillings; butter 16 to 19 cents.

Will sell you in exchange:

Salt per barrel, 16s. Flour extra superfine 13s per sack, $6 50 per barrel. Superfine, 11s per sack, $5 50 per bbl. Coffee sugar letter "A" as white as snow at 1s. Coffee sugar letter "B" 12cts. Very nice brown sugar, 11cts. Common, 10cts. Laguira coffee, every kernel good, 1–4. Old Java, very nice, 1–6. Young Hyson tea, warranted tip-top, 4, 5 and 6 shillings, Tallow candles, 17cts. Sperm, 3–6. Fine cut tobacco, 3s. Loose smoking, 1–6. Plug tobacco, 3s to 4s. Eagle Denims, best manufactured, 10cts to 1s. Lawrence mills, sheeting, very heavy, 10cts. Fine unbleached, from 10 cts to 1s. Bleached muslin, from 7cts to 1–6. Calicoes, all styles, consisting of Merrimacks, Cochecoes, Spragues, Phillip Allens, &c., from 6¼cts to 1s. A great variety of all wool Delaines, Cashmeres, Silk and Wool Poplins, Parametta, Rigolette, Hoods, Hosiery, Gloves and a great variety of little fixings, also a very large stock of Boots and Shoes, Ladies and Gent's wear. Ladies coarse Shoes 9s. Ladie's calf and enamelled leather, 11s to 12s. Gaiters, a splendid assortment 10s to 16s. Gent's kip Boots, home made, from $4 to 4 25; City made from $3 50 to 5 50.

In a word our stock is complete in all its departments, from the sugar and molasses down cellar to the best and most complete assortment of common and satin wall paper ever kept in a country store up stairs. Bring along all the grain &c., you have to sell, what you do not want to exchange for Goods I will pay you the cash for at cash prices,

D. one thousand eight hundred and fifty-two, leaving surviving him, six children, viz: William Thomas the petitioner; Sally Thomas, intermarried with John Morchess, a resident of New York; Betsey Thomas, intermarried with Luman Peck; Mary Thomas, intermarried with George Mattison; Ephraim Thomas a resident of McKean County, Pa., and Ezekiel Thomas; that all the said children are now of lawful age; the said intestate died seized in his demesne as of fee of and in the following described real estate and messuage and tract of land situate in Lawrence township in said County: Bounded on the north by the Cowanesque river, on the east by lands of T. B. Tompkins, on the south by lands of T. B. Tompkins, and on the west by lands of William Thomas—containing about one hundred acres of land, with the appurtenances. No legal partition or valuation of said estate having been had, the petitioner prays the Court to order and appoint an inquest to make of the premises aforesaid to and among the children and representatives of the said intestate in such manner and in such proportions as by the laws of this Commonwealth is directed, if such partition can be made without prejudice to or spoiling the whole; but if such partition cannot be made thereof, then to value and appraise the same and make report of their proceedings herein according to law at the next Orphan's Court. Whereupon the said Court on due proof and consideration of the premises awarded an inquest for the purposes aforesaid.

We therefore command you that, taking with you twelve good and lawful men of your bailwick, you go to and upon the premises aforesaid, and there in the presence of the parties aforesaid, by you to be warned if being warned they will be present, and having respect to the true valuation thereof, and upon the oaths and affirmations of the said twelve good and lawful men, you make partition to and among the heirs and legal representatives of the said intestate, in such manner, and in such proportions, as by the laws of this Commonwealth is directed, if the same can be done without prejudice to or spoiling the whole.

But if the said inquest, by you to be summoned as aforesaid to make the said partition or valuation, shall be of opinion that the premises aforesaid, with the appurtenances, cannot be parted and divided among all the persons entitled thereto as required by law without prejudice to or spoiling the whole, or that it cannot be divided into shares of equal value, then you cause the inquest to value and appraise the whole of the said real estate, or the several shares or purports into which they may divide the said real estate, having respect to the true valuation thereof agreeably to law.

But if said partition cannot be made thereof without prejudice to or spoiling the whole, then you cause the said inquest to inquire and ascertain whether the same will conveniently accommodate more than one of the said representatives of the said intestate without prejudice to or spoiling the whole. And if so, how many it will as aforesaid accommodate, describing each part by metes and bounds, and returning a just valuation of the same.

But if the said inquest, by you to be summoned as aforesaid, to make the said partition or valuation, shall be of opinion that the premises aforesaid with the appurtenances cannot be so parted and divided as to accommodate more than one of the said representatives of the said intestate, that you cause the inquest to value the whole of the said real estate with the appurtenances, having respect to the true valuation thereof, according to law. And that the partition or valuation so made, you distinctly and openly have before our said Justices at Wellsboro, at an Orphan's Court then to be held on the seventh day of December, 1857, after such an inquest shall be made under your hand and seal, and under the hands and seals of those by whose oaths or affirmations you shall make such partition or valuation. And have you then and there this writ.

Witness the Hon. Robt. G. White, president judge of our said Court, the fifth day of October, A. D. 1850. W. D. BAILEY, Clerk O. C.

PHILADELPHIA MARKET being easily accessible, your attention is called to it, as possessing facilities and advantages, worthy of your consideration.

Among its advantages may be enumerated its location, having shorter lines of communication to the interior, its proximity to the Iron and Anthracite Coal districts of Pennsylvania, the large and varied extent of its manufactures, being far in advance of any other city in the United States, the moderate expenses necessary for carrying on business, &c.

The market possesses unrivalled advantages for the sale of many kinds of produce, such as Flour, Wheat, Barley, Wool, Butter, Cheese, &c., while the charges made upon sales and attendant expenses, are more moderate than neighboring seaboard markets.
