MUST SWALLOW THE "NIGGER." -- Sens. tor Douglas in his reply to Bigler, asked with great vehemence, "Why are Demo-cratic Senators all around me allowed to iffer with the President on the Pacific rail- Rec'd from Collectors of scated tax, oad, Banks, Filibustering, Tariff, &c., and to differ in peace; while because I adhere to my position, I am attacked here by men who wish to drive me out of the party for ultertor purposes of their own, and am falsely denounced, by the pensioned letter writers of Am't paid O. B. Wells resses who seek patronage of some of the Departments here, as having gone over to the Republicans ?"

The Hon. Schuyler Colfax of Indiana. writing to the South Bend Register, his paper, says that, after the debate between Douglas and Bigler, in which this question was put, was over:

Douglas was talking to Hale, Wilson, Cox. Burlingame, and some others when Hale told im: "I can answer that question of yours, Dounlas. I was in the Democratic party long enough to know that while its members re allowed the largest liberty on everything else, yet, if you don't toe the mark on niggers, you are not regular and orthodox, and have to be turned over with the goats on the lest hand." I noticed a frown on the face of a Democratic Senator near by as the little group, Douglas included, took a hearty laugh over Mr. Hale's comical statement of what is really a "fixed fact." ..

SIZES OF MEN IN THE U. S. ARMY .- From notice of Surgeon General Lawson's reort in the American Journal of the Medical ciences; it is ascertained that the tallest nen enlisted in the United States Army are om the State of Georgia, where, out of 100 nlisted, 30 were six feet and over; while the hortest men are from New York, where only out of 100 were 6 feet. The tallest recruit rom Georgia was 6 feet 61 inches, and the nean height of the recruits thence was 5 feet inches. The tallest enlisted man from Vew York was 6 feet 11 inches, and the nean height of New York recruits was 5 et 6 inches. The Southern and Western tates produce the tallest men, and the mide and Eastern States the shortest.

SOMETHING NEW .- Gov. Pollock, on Monav last, gave a dinner to the incoming Govmor, together with the new Cabinet. The ble was set in Gov. Pollock's room at Covrley's Hotel. All the out-going as well as e incoming administration were present. n Tuesday, Gov. Packer gave a dinner to x-Gov. Pollock, at which all the above amed participated. This dinner was given Omit's Hotel. This interchange of friendfeeling, is as it should be. Friendly couries under such circumstances are alike morable to all. This, we learn, is the first et of the kind, known in the history of ennsylvania.

On Wednesday while Mr. Simeon B. Jewii, of Rochester, was walking from the reasury Buildings to Willard's, it was first nounced to him that the President had demined to appoint him Marshal of the Norhern District of New York. He had barely rrived at the hotel, flushed with his good fortune, when a dispatch was placed in his ands aneouncing the death of his brother, don. Freeman R. Jewett, of Skeneatelas.

EXEMPTED.—Printers with nine children re to be exempted from taxation in the State New York.

Very safe legislation that. We would like see the Printer who had anything to tax er feeding nine children.

John Wentworth says that the Administra on has employed agents in Chicago, to creep ound back doors and question the servant is as to the politics of their employers, so to brand them for proscription.

the Republicans of Pennsylvania

The time has arrived when, in our judgment, the tal interests of the Republican Party, and its sol-nn duty to the cause of Freedom, Labor and Hunity alike imperitavely demand that Republicans puld assemble, from every part of the State, for purpose of firmly organizing the party on the d and distinct basis of its own principles.

We therefore invite our fellow Republicans to et in informal CONVENTION, at Harrisburg, he 22d of February, 1858, at 3 o'clock, P. M. dopt such measures as may be decmed t ted to impress upon the legislation of the nation principles enunciated by the Philadelphia Re-ican Convention of June, 1856.

AYER'S

CHERRY PECTORAL.

FOR THE RAPID CURE OF COLDS, COUGHS, AND HOARSENESS.

BRIMPILLD, MASS., 20th Dec., 1855.
DR J C Aym: I do not hesitate to say the best remedy I have ever found for Coughs, Hoareness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A B MORTLEY, Esq., of Utica, N. Y., writes: "I have us your Pecloral myself and in my family ever since you inveed it, and believe it the best medicine for its purpose ever pout. With a bad cold I should sooner pay twenty-five dolls for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. SPRINGTEED, MISS., Feb. 7, 1836.

BROTHER AVER: I will cheerfully certify your Pectoral
the best remedy we possess for the cure of Whooping Cour Croup, and the chest diseases of children. We of your f.
ternity in the South appreciate your skill, and commend yound medicine, to our people.

HIRAM CUNKLIN, M. D.

HIRAM CUNKLIN, M. D.

AMOS LEE, Esq., Monterey, Is., writes, 3d Jan., 1856:
"I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the sorcress in me throat and lungs; less than one-half the bottle made me completely well. Your medicines are the best as well as the cheapest we' can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma, or Phthisic, and Bronchitis.

West Manchester, Pa., Feb. 4, 1856.
Six: Your Cherry Pectoral is performing marvellous cares in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant.

A RAMSEY, M. D., Albion, Monroe Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

Astor House, New York City, March 5, 1856, Doct. Ater, Lowell: I feel like duty and a pleasure to inform you what your Cherry Pectoral has done for my wife.—She had been five months laboring under the dangerous sympons of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr Strong, of this city, where we have come for advice, recommend a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard.

ORLANDO SHELBY, of Shelbyville.

Consumptives, do not despair till you have tried Ayer's

Consumptives, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—Philadelphia Ledger.

AYER'S CATBARTIC PILLS.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purgo out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects they are at the same time, in diminished doses, the safest and best physic than can be employed for children. Being sugar coated, they are pleasant to take; and being purely vegetable are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the publia the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, saffering fellow-men.

their names to certify to the publia the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, soffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:
Costiveness. Billous Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulaery, Loss of Appetite, all Ulcerous and Ontaneous Diseases which require an evacuant medicine, Scrofula or King's Svil. They also, by parifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Berangements of the Liver and Kithreys, Gont. and other kinder complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Ayer's Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

ATEST STYLES Hats and Cops just receive ed at Bowen Bullarn & Co Charles O. Etz of Tioga Village would respectfully call the attention of the public to the following advertisement. "Man wants but little here below nor wants that little long" is an old saying and perhaps true to a certain extent. But it seems to me that in this time of general suspension and panic, everything is tending to u reversion of time-honored sayings, and everybody wants a little more still. The farmers (and they really ought to have as much as anybody, for they are to our country what a main spring is to a watch,) wants a little more for their wheat, buckwheat, rye, corn, oats, potatoes, &c., than the purchaser feels able and willing to pay. The merchant wants a little more for his Flour, Pork, Salt, Dry Goods, Boots & Sinoes, Hats & Caps, Hardware, Crockery and ten thousand little things he has to sell than

and ten doors to the tenings he has to sen than the farmer thinks he ought to pay.

At this present time it seems to be conceded by all that the cash value of good wheat is \$1 per bushel; buckshieat, 2 to 2-6; corn 3-6 to 4-6; outs, 2 to 2-6; butter, 14 to 16 cents. Now to equalize the matter and make it satisfactory on both sides! A post and will agree to take form equalize the matter and make it sutisfactory on consider I want and will agree to take from every farmer of Tioga county, all the wheat I can get for the next 60 days at 9 and 10 shillings per bushel according to quality; buckwheat at 2-6 to 3; corn 5 to 5-6; oats 2-9 to 3 shillings; butter 16 to 19 cents.
