AYER'S CHERRY PECTORAL. . FOR THE RAPID CURE OF COLDS, COUGHS, AND

BRIMFIELD, MASS., 20th Dec., 1855.
DR J C AYRE. I do not hesitate to say the best remedy I have ever found for Coughe, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN HNIGHT, M. D.

HOARSENESS.

A B MORTLEY. Esq., or Utica, N. Y, writes: "I have us your Pecloral myself and in my family ever since you invoced it, and believe it the best medicine for its purpose ever four. With a bad cold I should sooner pay beenty-five dolls for a bottle than do without it, or take any other remedy." Croup, Whooping Cough, Influenza.

BROTHER ATER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whopping Cough, Croup, and the chest diseases of children. We of your freteristy in the South appreciate your skill, and commend your medicine to our people.

AMOS LEE, Esq., Monterey, In., writes, 3d Jan., 1856:
"I had a tedious Influenza, which confined the in doors six weeks; took many medicine without relief; finally tracel your Pectoral by the advice of our clergy man. The first dose relieved the soraces in my throat and lunger; less than one-half the bottle made; me completely well. Your medicines are the best as well as the cheapest we can buy, and we esteem; you, Doctor, and your remedies, as the poor man's friend."

ESPAINA, OF Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SRI: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

A A RAMSEY, M. D., Albion, Monroe G., Lowa, writes, Sept. 6, 1835: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving case and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial. Asthma, or Phthisic, and Bronchitis.

Probably no one remedy has ever been known which enred so many and such dangerous cares as this. Some no human aid can reach: but even to those the Cherty Pectoral afford-relief and comfort.

HERRING'S SAFE.

THE ACKNOWLEDGED CHAMPION THE PECENT TRIALS at Reading have endorsed the current of public opinion, and confirmed the verdict of more than 200 accidental fires, proving conclusively that "Herring's" is the CONLY SAFE that will not burn.

Report of the Committee appointed to superintend

"The undersigned, members of the committee, do respectfully report, that we saw the two Safes originally agreed upon by Farrels & Herring and Evans & Watson, placed side by side in a furnace, viz: The Safe in use by the Paymaster of the Philadelphia and Reading Railroad Company, in his office at Reading, manufactured by Farrels & Herring, and the safe in use by H. A. Lantz, in his store, manufactured by Evans & Watson, and put in books and papers precisely alike.

The fire was started at 81 o'clock, A. M., and kept up until four cords of green hickory, two cords dry oak and half chestnut top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the Committee. The Safes were then cooled off with water, after which they were opened and the books and papers taken out by the Committee and sent to H. A. Lantz's store for public examination, after they were first examined and marked by the Committee. The ooks and papers taken from the Safe manufactured books and papers taken from the Safe manufactured by Evans & Watson were but slightly affected by the intense heat, while those taken from the Safe manufactured by Farrels & Herring, were in our judgment, damaged fully fifteen per cent more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both Safes.
