The Young Flying Morgan.

IIIS splendid horse was sired by THIS splendid horse was sired by the justly celebrated trotter,—
"Flying Morgan" the pride of Vermont horse breeders, and does credit to the unequalled stock from which the sprang. His dam was a Messenger mare, a took second only to the Morgan in all that consti-lates excellence in the horse. For strength, speed and indurance, this stock of horses has never been surpassed. Young Flying Morgan is seven years old, 151 hands high, and weighs 1100 lbs. He can rot his mile inside of three minutes, and was awarded the first premium for speed and general exellence, at the Windham Co. Fair, held at Bratt.e-

He will stand the ensuing season, Monday's, Tuesdays and Wednesdays, at the stable of the subcriber at Troga, and the remaining days of each week at the stable of E. R. Farr in Wellsboro. Terms, \$10 to insure a foal, in accordance with he usual custom. Tioga, May 13, 1858. D. L. AIKEN,
