Charles O. Etz of Tioga Village would respectfully call the attention of the public to the following advertigement. "Man wan's but little here below nor wants that little long" is an old saying and perhaps true to a certain extents But it seems to me that in this time of general suspension and panic, everything is tending to a reversion of time-honored sayings, and everybody wants a little more still. The farmers (and thoy really ought to have as much as anybody, for they are to our country what a main spring is to a watch,) wants a little more for their wheat, buckwheat, rye, corn, oats, polatoes, &c., than the purchaser feels able and willing to pay. The merchant wants a little more for his Flour, Pork, Salt, Dry Goods, Boots & Shoes, Hats & Caps, Hardware, Crockery and ten thousand little things he has to sell than the farmer thinks he ought to pay.

At this present time it seems to be conceded by all that the cash, value of good wheat is \$1 per bushel; buckwheat, 2 to 2-6; corn 3-6 to 4-6; oats, 2 to 2-6; butter, 14 to 16 cents. Now to equalize the matter and make it satisfactory on both sides, I want and will agree to take from every farmer of Tioga county, all the wheat I can get for the next 60 days at 9 and 10 shillings per bush-el according to quality; buckwheat at 2-6 to 3; even 5 to 5-6; outs 2-9 to 3 shillings; butter 16 to 19 cont

dry oak and half chestnut top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the Committee. The Safes were then cooled off with water, after which they were opened and the books and papers taken out by the Committee and sent to H. A. Lantz's both by the committee and sent to 11. A. The books and papers taken from the Safe manufactured by Evans & Watson were but slightly affected by the intense heat, while those taken from the Safe manufactured by Farrels & Herring, were in our

EVANS & WATSON have now on hand 300, 000 pounds of the above Safes, which they offer for sale on better terms than any other Manufacturer in the United States.
