has recently been invented, which promises to supersede all other kinds of hard soap. It is used extensively for washing clothes, and possesses the re-markable property of extracting dirt without boiling the clothes and without the use of the rubbing board. The process of washing requires less than half the time, and only about half the labor, by using this Patent Soap. This article is peculiarly excellent, and superior to any thing else called Soap; because while it saves time and labor, it never rots or injures the clothes. It is just the article it is represented to be, and never disappoints the expectations of purchasers. It does not take out stains. For sale at Roy's Drug Store, Wellsboro, Pa.
