THE Subscriber is selling this valuable Machine, and invites all who want a really good Mower and Reaper, to examine it before purchasing any other machine. It is superior to all other Mowers and Reapers in use, in the following particulars: It is the lightest in use; is strong and durable; re-quires less draft than any other machine; has no side draft the' it cuts a wide swath; will work on rough ground where no other machine can follow it; very difficult to be clogged in any kind of grass, be it wet or dry; is simple in construction and not lia-ble to get out of repair; is a perfect combined ma-chine; working equally well, whether mowing or reaping; and is the CHEAPEST in price, the Mow-er being only \$100, and the combined machine \$120 —making it altogether the most desirable Mower BEAN & ENSWORTH.
