AYER'S SARSAPARILLA.

A compound remedy, in which we have labored to produce the most effective alternative that can be made. It is a concentrated extract of the Sarsaparilla, combined with other substances of still greater alternative power as to afford an effective antidote for the disease Sarsaparilla is reported to cure. It is believed that Sarsaparilla is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens.

Scrofula and Strumous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blisters, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Douloureux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from impurity of the blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcers, sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alternative medicine. Cleanse out the blood, and wherever you find it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication, the remedy should be judiciously taken according to directions on the bottle.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Price, \$1 per bottle; Six bottles for \$5.

AYER'S CHERRY PECTORAL, has won for itself such a reputation for the cure of every variety of Throat and Lung Complaints, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. It has followed the drug alleys and apothecaries throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever been found to do.

Ayer's Cathartic Pills, For the cure of Constipation, Jaundice, Dyspepsia, Indigestion, Dropsy, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetters, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for purifying the blood.

Great numbers of Clergymen, Physicians, Statesmen, and unparalied usefulness of these remedies, but our space here will not permit the insertion of them. The Agents, below named, can furnish you with full particulars. They are given; with also full descriptions of the more difficult ailments, and the treatment that should be followed for their cure.

Not put off by unprincipled dealers with other preparations they make more profit on. Demand Ayer's, and take no others. The sick want the best; there is for them, and the well wish to have it.

All our Remedies are for sale by C. & J. L. ROBINSON—Wellsboro, and by all Druggists and Merchants throughout the country.

D. P. ROBERTS. Philadelphia, April 12th, 1856. Messrs Evans & Watson—Gentlemen—It affords me the highest satisfaction to state to you that owing to the very protective qualities of two of the Salamander Safes which I purchased of you some two months since, we saved a large portion of our jewelry, and all our books, papers, &c. exposed to the calamitous fire in Ransell Place, on the morning of the 11th inst.

When we reflect that these safes were located in the fourth story of the building we occupied, and that they fell subsequently into the hands of the same men who were the perpetrators of heat caused the brass plates to melt, we cannot but regard the preservation of their valuable contents as most convincing proof of the great security afforded by your Safes. We shall take much pleasure in recommending them to men of business as a sure reliance against fire.
