Hence, persons suffering from a chronic disease or long-standing ailment, in buying a case of Hrw-PHER'S SPECIFIC, obtain the particular one desired in their case, and thus themselves make a pure which otherwise would cost them many dollars, and no small amount of time and medical attendance, if, indeed, it could be obtained at all. could be obtained at all.

Thus multitudes suffer from Dyspepsia, Bilious Con-dition, Costiveness, Bad Taste, Coated Tongue and De-bility, which is perfectly controlled and cured by the DYSPEPSIA SPECIFIC. DYSPEPSIA SPECIFIC.

There is scarcely a phase or form of this disense which is not promptly controlled and ultimately cured by the use of this Specific. Thousands who have suffered for years with this "Bilious condition" having purchased a case of these Specifics, have obtained a perfect cure and immunity from their old complaint.

is one of our most common and most troublesome dis-eases, against which the Old School Medicines and excess, against which the Old School Medicines and even Homepathic prescriptions, are of very little use. Yet hundreds of persons have been curediof not only recent and fresh, but even long standing and obstinate cases of Catarrh by the use of this specific. One aged lady in Syracuse was thus porfectly cured of a Catarrh, which had annoyed her all her life. True, itime is required; but the Specific is pleasant to take, requires neither diet nor restraint, and being followed want, requires matther dict for restraint, and being followed up, a perfect cure is the result. Hundreds of persons, in purchasing a case of Specifics, have obtained a cure for this most trying and obstinate form of disease, which has been worth to them tep times, the cost of the entire set. Cases of over twenty years' standing have been cured with this simple Specific, and we be-lieve all may be cured by perservance. The case contains the best
