#### THE TIOGA COUNTY AGITATOR. AYER'S SARSAPARILLA. A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a con-centrated extract of Para Sarsaparilla, so combined with other substances of still preduce alterative power as to afford an affective antidote for the diseases Sarsaparilla is reputed to cure. It is bellowed that such a remedy is wanted by those who suffer from Etrumous complaints, and that one which will accompliah their cure must prove of immense service to this large class of our afficiend follow-citizens.--How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:--Evrofuta and Evrofulous Complaints, Eruptions and Erup-tive Diseases, Ulcers, Pimples, Blotches, Tumbrs, Sait Rheum Scald Head. Syphilis and Syphilitic Affections. Mercurial Disease, Dropsy, Neuralgia or Tic Douloureux, Debility, Dyspepsia and Indigestion, Eryspielas, Rose os St. Anthony's Fire, and Indeed the whole class of complaints arising from imparity of the blood. This compound will be found a great promoter of health, when taken in the syning, to expect the foul humors which fester in the blood at that season of the year. By the timely explaison of them many ranking disorders are nipped in the bud. Multitudes can, by the sid of this remedy, spare them-stores, through which the system will stive to rid itself of corruptions, if not assisted to do this through the natural channels of the bood y by an alterative medicine. Cleanase it whon you find it is obstructed and sluggish in the veins it cleanse is whenever its foul, and your feelings will tell you when. Even where no particular disorder is fut, people en-loy better health, and allies well; but with this paba-uner of life disordered, here can be no lasting health. Econ-ner or latter something must go wrong, and the great macchi-nery of life is disordered or overthrows. Examples head and live longer, for cleaning the blood--Keep the blood healthy, and allis well; but M. BULLARD & CO., C. & J. L. ROBINSON, C. G. OSGOON JOHN A. ROY. AVER'S SARSAPARILLA. Attorneys & Counselors at Law, cause many preparations, pretending to be concentrated ex-tracts of it, contain but little of the virtue of Sarsaparilla, or any thing el-e. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little if any Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disapointment has followed the use of the various extracts of Sursaparilla which flood the market, until the name (itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sar-saparilla, and intend to supply such-a romedy as shall rescue the name from the load of oblequy which rests upon it. And we thruk we have ground for believing it has virtues which are irrestible by the ordinary run of the diseases it is in-tended to cure. In order to secure their complete eradicu-tion from the system, the remedy should be judiciously ta-ken according to directions on the bottle. PREPARED BY Dr. J.C. Ayer & Co, LOWELL, MASS.
